CONCLUSION . 196

DECISION 1970 – Is it possible to resist movement in this time of change? Is it practical for an individual to be prodded along by other people? Is it desirable to remain closed off to the inquiring minds of others?

Decision is a process of questioning. This includes a time of learning and discussing, a time of withdrawal to analyze and eliminate, finally emerging better able to teach and learn with others again. Decision is a never ending system of inquiry.

Fr. Sinnott Sparks Active Interest in School

Father James Sinnott, O.S.A., was appointed prior of St. Rita Monastery in 1968. Through his activities and interest in school affairs, he shows continual participation and co-operation with the faculty and students. He has sparked interest and devotion in the priests and brothers under his guidance. As a member of the Board of Administration, Father Sinnott participates in determining the policies of and in making decisions for the school.

Father is the moderator of the St. Rita High School Alumni Association. He now works closely with many alumni whom he taught and counseled at St. Rita in his earlier years here. Many of his former students presently have sons at St. Rita.

Fr. Trusch Finds Professionalism At St. Rita

During the current academic year of 1969-1970, the Very Reverend Daniel B. Trusch, O.S.A. as principal of St. Rita High School commends all, Administration, Teachers and Students on their continuing professionalism that is shown in both the classroom and daily lives. The parents of our students are looking to us to teach their sons the worth of a Catholic education as exemplified in every day activities. This is being done in our activities here at St. Rita High School.

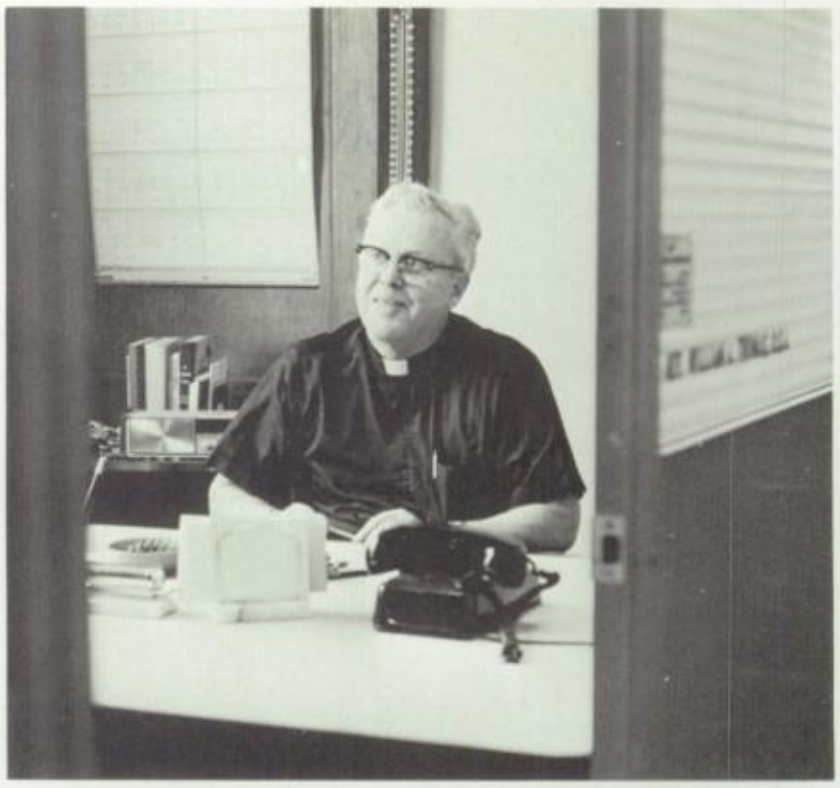
From the opening day of school here in September through the weeks and months that follow and continuing through the summer months, there are activities going on at St. Rita High School.

The result of these activities is proudly displayed year after year by those who take their place in society as products of St. Rita High School.

Administration Seeks Participation In Student Activities

Offices, long established to create and improve a student in the academic and social world, are evolving into a better represented union for the student. The more involved the administration becomes in the student's life, the better it understands the feeling of the student body and can respond to it in the best manner known to the administration.

Mr. John Hartl's participation with the student body brought on one of the best St. Rita Homecomings in many years. Involvement like this has brought Rita men to a better understanding of life. Every man on the administration knows that involvement with the students must take place in order to achieve their one common desire—the betterment of St. Rita High School.



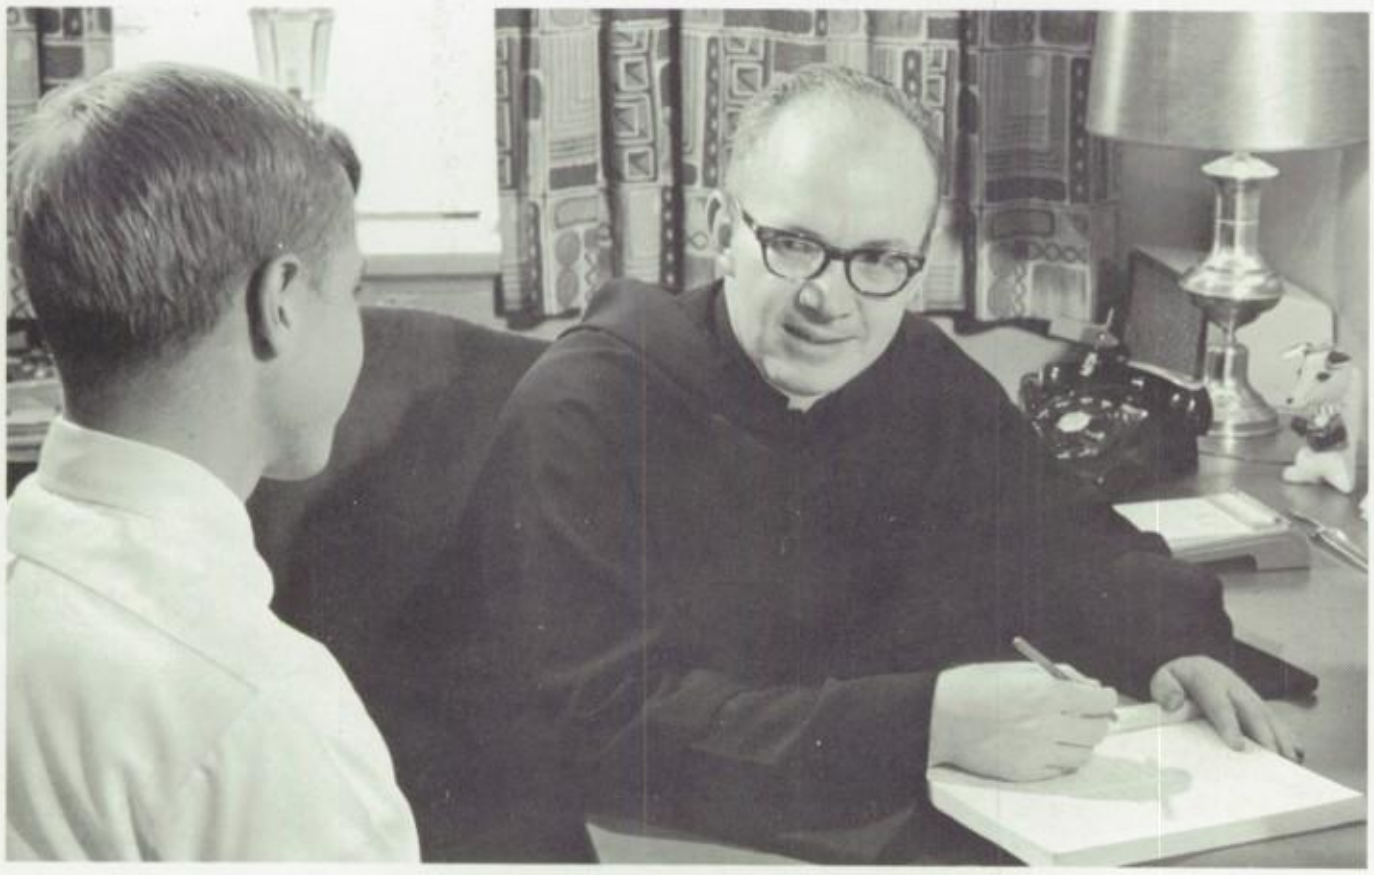
Fr. William Thomas, Director of Discipline works towards the safety and enforcement of school rules.

Director of Religious Activities, Fr. James Corrigan, and assistant, Fr. Edward Marsh, strive for improvements of the Rita student with Christian ideals and actions.

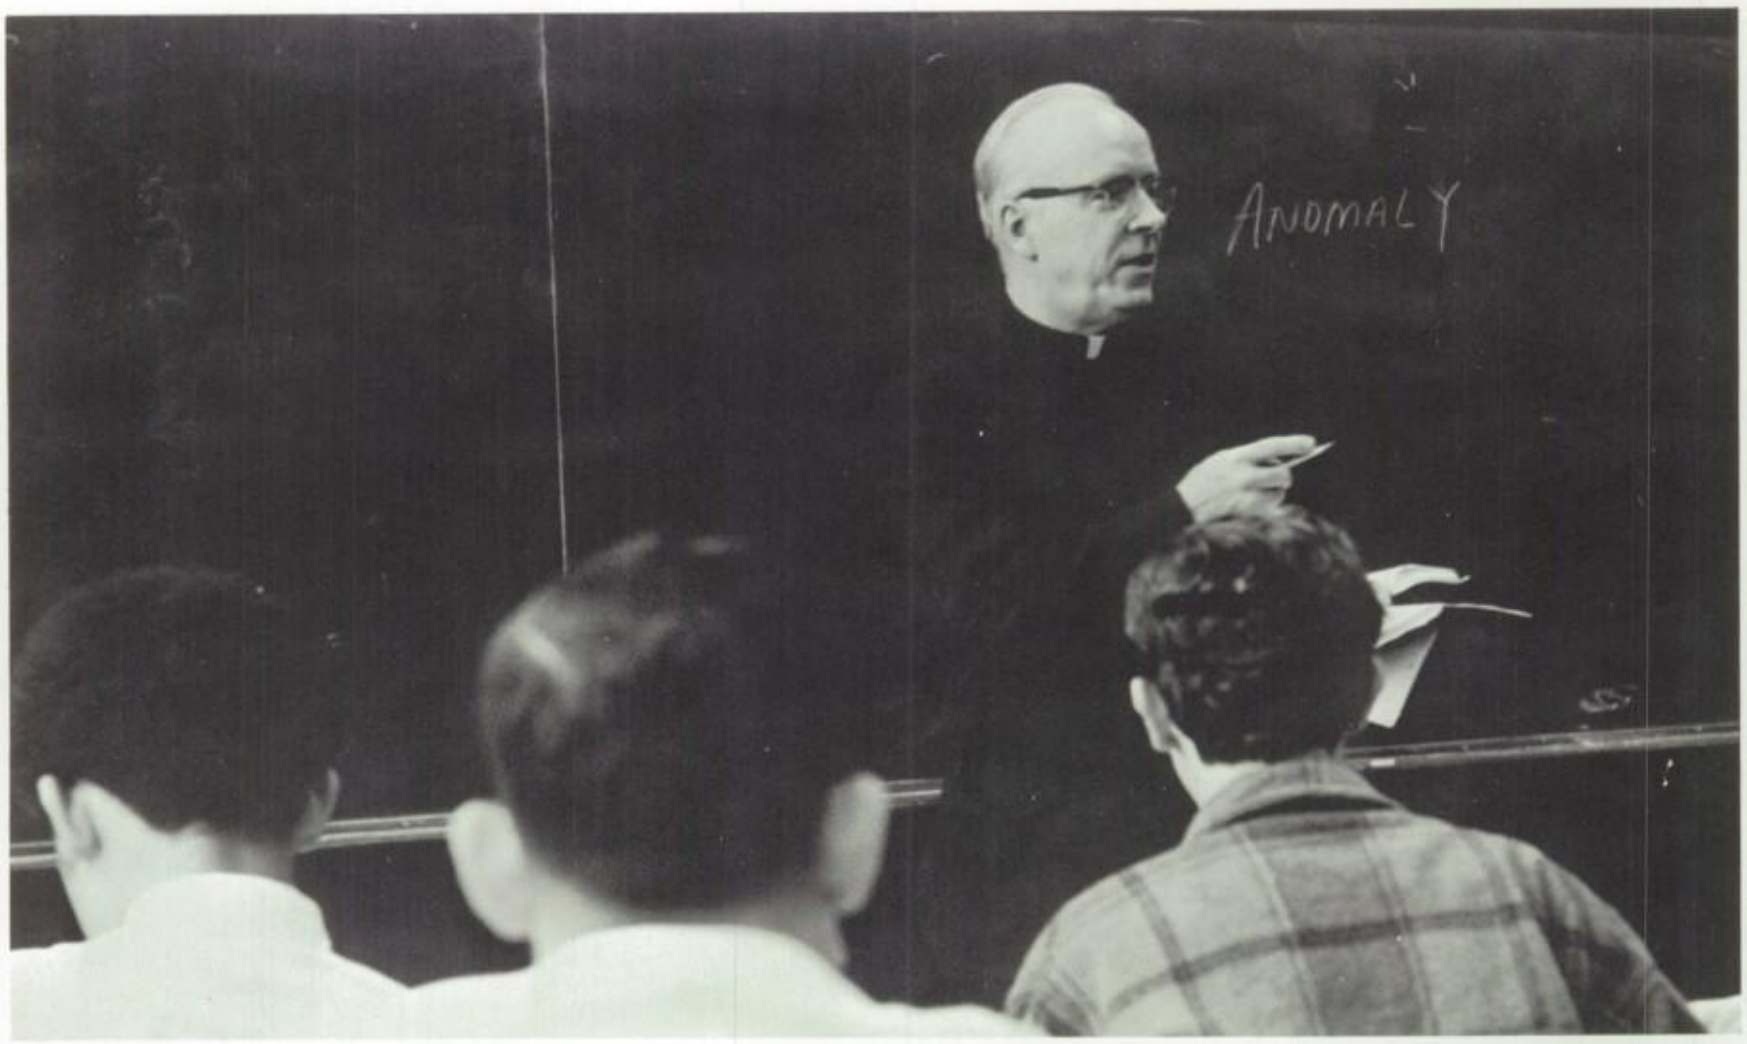
Fr. McDonnell O.S.A., junior-senior disciplinarian, examines the day's record of absentees.

Mr. Hartl, Director of Activities, applauds as the Homecoming Queen, escorted by Paul Jagen, is crowned.

Fr. Richard Voigt O.S.A., freshman counselor and athletic moderator, smiles after discussion with students and fellow counselors. It is Fr. Voigt's job to assist freshmen in making the transition from grade school students to mature high school students.



Fr. Michael Hogan O.S.A., Senior College Counselor, discusses college plans with a senior. Fr. Hogan, with many contacts with various colleges, assists seniors in preparing their choices of colleges and later in procuring scholarships and financial aid.



Theology Department Develops Christian Attitudes

Christian attitude toward life is an aid in our society. The efforts of Fr. Corrigan and Fr. Marsh help the Theology Department develop this attitude. Visual aids and magazines help the student form opinions and develop his attitude toward life. Freshmen sections discuss articles from magazines and exchange opinions with class members on important issues in society.

The sophomores and juniors continue these discussions and formulate new opinions and reformulate old ones.

Fr. Marsh has the class test several topics that the class would want to discuss, these topics are assigned to class members to research. Talks are given and discussions follow.

Section Masses are aimed at making the Mass meaningful to the students. The Structure of the Mass is informal and communion is received in both forms – bread and wine. Through class discussions, movies, and Section Masses, the Theology department helps develop Christian attitudes in the St. Rita student.

Fr. Marsh talks to hall guard.

Fr. James Corrigan, O.S.A., who came here in 1966, became Chaplain of St. Rita this year. He teaches Theology I and holds an M.A. degree in Religious Education from Loyola. Fr. Corrigan is also an instructor in the St. Rita Adult Theology Program. His hobbies include sports and folk music.

Fr. Edward Marsh, O.S.A., who teaches Theology I and III, arrived at St. Rita in February of 1968. He has earned two B.A. degrees—one from Villanova and a second in Theology from St. Monica College. Fr. Marsh enjoys folk music and guitar as hobbies.

Fr. Corrigan and Fr. Chrupka distribute communion at one of the section masses.

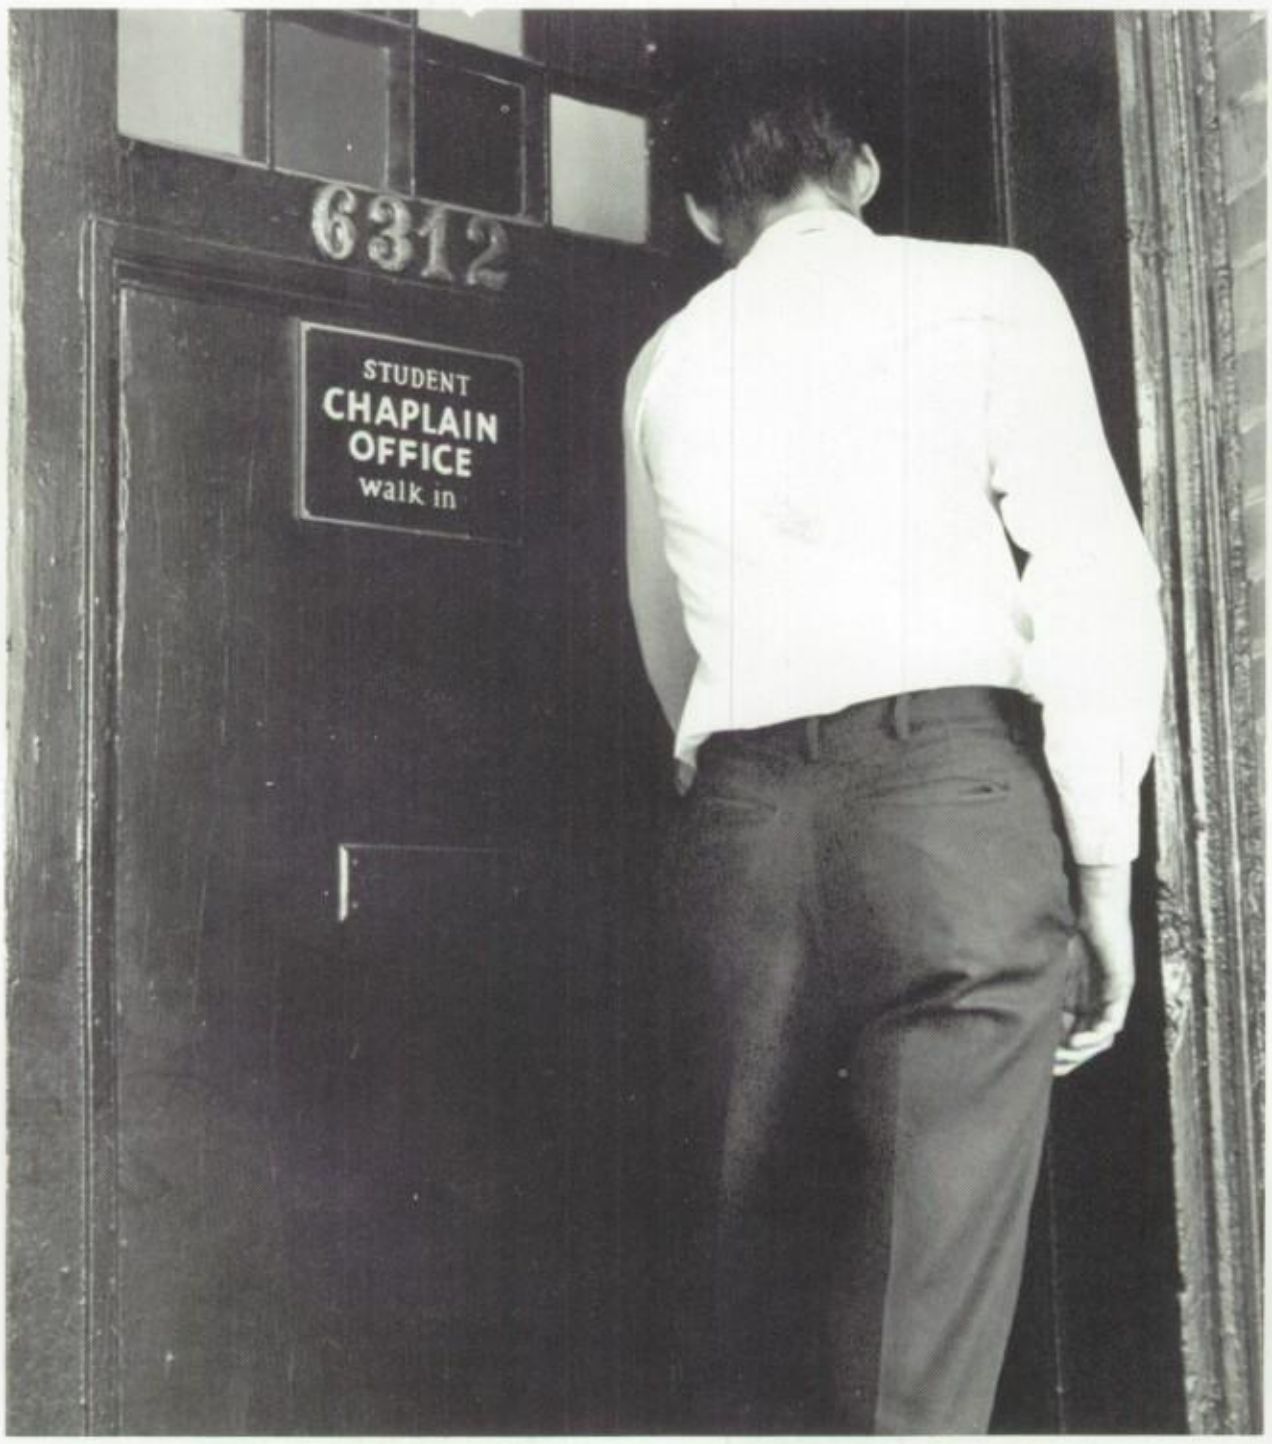
Fr. Edwin Kuczynski, O.S.A., is a newcomer to St. Rita. He received his M.A. degree from the Catholic University and is a Sociology IV teacher. His interests lie in reading.

Fr. Richard Voigt, in his second year at St. Rita, teaches Theology I and II and is Freshman Counselor. He has a M.A. degree from Villanova University and is Moderator of Athletics and Tennis Coach.

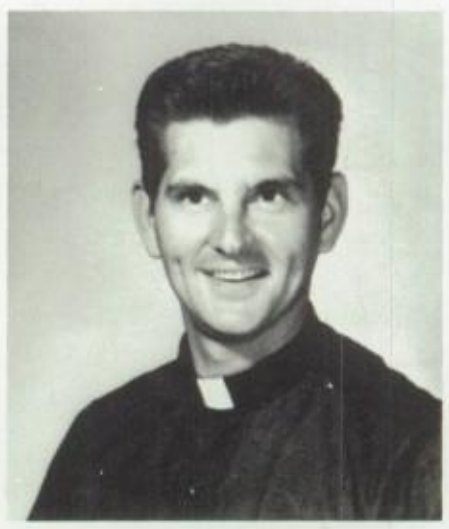
Mr. John Rybka, a newcomer to St. Rita, teaches Theology I and II. He holds a B.A. from Loyola at Niles and is attending law school in his spare time. He is especially interested in law, basketball and bowling.

Fr. James Mcloskey, who has been teaching at St. Rita for five years, teaches Theology I and II. He holds a B.A. from Villanova.

Fr. Edward Phalan returned to St. Rita's this year as a member of the Theology Dept. He now teaches Religion II and III. He did his degree work at Notre Dame and DePaul.



A student enters the Chaplain's office to discuss his personal or academic problems. The Chaplains, Fr. Corrigan and Fr. Marsh, and any other member of the Guidance Dept. is always open for help.



Fr. John Sattler, in his third year at St. Rita, teaches Sociology IV and Business Law. He holds a M.A. in Guidance from DePaul University and is interested in baseball and other sports.

Fr. Thomas McGowan, O.S.A., who returned to St. Rita last year teaches Theology III. He is Moderator of the St. Rita Christian Mother's Club and holds a B.A. degree from Villanova University.

Fine Arts Program Develops Creative Ability

With the supervision of Brother Mark, O.S.A., chairman of the music department, and Brother Joseph, O.S.A., Rita students are developing their creative artistic abilities.

This year the fine arts course was not offered to freshmen because of the insufficient number of applicants. Mostly seniors with an additional mixed class of juniors and sophomores participated in the course which consists of a semester of music and one semester of art.

A new book was used this year in the music course. Titled **Music, Adventures in Listening**, it is perhaps the first book that was actually intended for high school students. Students now are able to appreciate and understand music on a much more basic level.

During the St. Rita open house on March 1, intended to gain support for aid to non-public schools, art students exhibited their finished works in an Art Fair. Various art forms were on display—paintings, mosiacs and drawings.

With slides, movies, records and other visual aids, the learning of music and art are made more enjoyable to the student.

Bro. Mark, O.S.A., came to St. Rita in 1963 and teaches Spanish II, III, and IV and Music I besides being Chairman of the Music Department. He holds a B.A. in philosophy from Villanova and another in music from St. Joseph College. Bro. Mark is moderator of the chorus and in his spare time enjoys hockey and soccer.

Bro. Joseph O.S.A., is a member of the Industrial Arts and Fine Arts departments and teaches Automotives and Art Survey. He has a B.S. degree from Stout State University in Wisconsin and will soon receive a M.S. degree. His interests include tinkering with computers.

Mr. Louis Ricci, an alumnus of St. Rita, has been the Band Director since 1957. He received a B.A. degree from De Paul University and is an instrumental instructor at Parker High School.

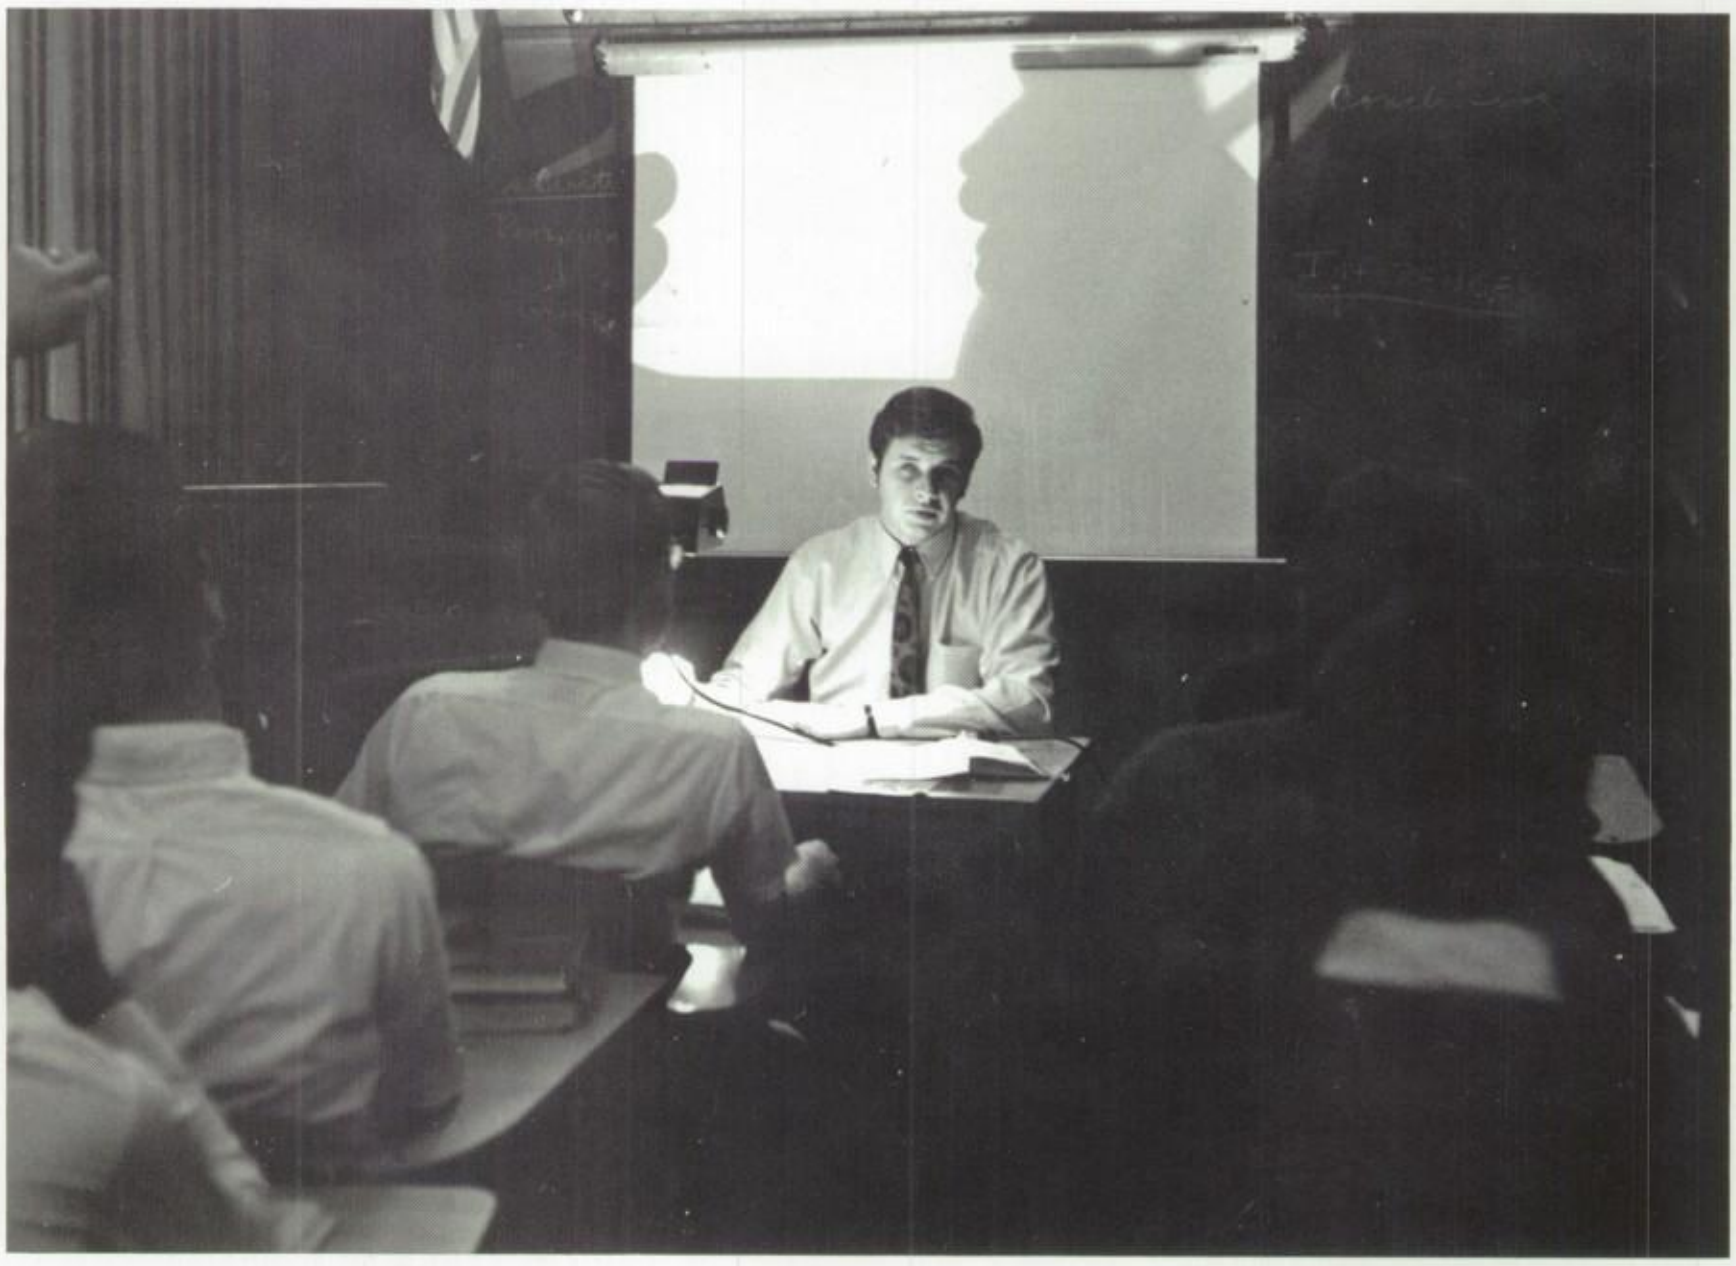
Experience aids English Department

This year's English Department abounds in experienced teachers and teachers seriously working toward their Masters Degree. Most of the members of the department have been teaching at Saint Rita for three or more years and have gained a practical knowledge of the most effective methods of teaching both the advanced and the average student.

Change has also played an important role in the success of the English Department. Freshmen have been initiated in a new English program which makes use of the textbook– **Modern Grammar**. This book is the modern approach to English. The book is divided into three parts: grammar, writing, and literature. These different aspects of English are united and tied together with one another, enabling the student to learn English more effectively by example rather than definition. For example, new terms are introduced like determiner, count noun, and noncount nouns. Old grammar was based on the meaning of a word; the new grammar is based on how the word functions.

A heavier writing program for sophomores has been adopted in order to more effectively cultivate the student's writing ability for his junior and senior years. Juniors and seniors are going into great detail and spending more time on individual novels rather than using textbooks of selected authors. Two new teachers, Mr. Hoffman and Mr. Lord are also adding changes to the English Department.

Dr. Racky, head of the department and recent recipient of his Ph.D., is greatly pleased with the results obtained by the teachers and students of last year's department. Last year and the year before three seniors scored the highest possible grade on the Advanced Placement Examination. This ranked them among the top 1000 students in the nation. Most of the other students who took the examination received at least some college credit. These excellent results have convinced the members of the department that improvements will bring about even better results this year and the future years.



Mr. Theodore Melant uses an overhead projector to display the use of implication in writing.

Mr. Donald Racky teaches his seniors and juniors the fine points of formal writing from the English writing book – **The Lively Art of Writing.**

Mr. Donald Racky, Chairman of the English Department, has been a St. Rita faculty member since 1959. He received his Ph.D. from Loyola University in 1968, and he teaches English I, III, and Advanced High School English. Mr. Racky's outside interests include camping, basketball, and moderating the Ritan.

Mr. Edmund Brongiel, who teaches English I and II, has been a St. Rita faculty member since 1966. He has earned a B.A. degree in English Literature from Loyola University and is currently working for an M.A. degree. In his spare time he enjoys reading.

Mr. Titus Bukas, a member of our faculty since 1966, teaches English III and IV. He received his B.S. degree in Education from Illinois Teacher's College, and is a member of the Teachers' Bowling Team. Mr. Bukas enjoys bowling, tennis, and many other sports.

Mr. Harold Daley, in his second year at St. Rita, teaches English I. He holds a B.A. degree in English from Tolentine College and is working for a M.A. degree at DePaul University. Mr. Daley likes to play and watch hockey and football.

Mr. Raymond Kopcinski keeps his classes informed by posting grades and other announcements on the class bulletin board.

Mr. Edward Dudek, in his second year in the English Department, teaches English III. Mr. Dudek holds a B.A. degree in English from De Paul University, and he is working for a M.A. degree in English. He enjoys music and writing.

Mr. John Hartl, came to St. Rita in 1967, and teaches English III. He holds a B.S. degree from Chicago State College. Mr. Hartl's favorite pastimes include creative writing, sports, and youth work.

Mr. Theodore Melant holds a B.A. degree from Loyola University in English and teaches Speech I and English IV. In his third year at St. Rita, Mr. Melant is coach of the Mustang hockey team and is interested in all types of sports, as well as radios, photography, and drama.

Mr. Jack Lord, in his first year here at St. Rita, belongs to the English Department. Mr. Lord holds a B.A. degree from Butler University and teaches English II. He is the assistant football coach of the varsity team and his special interest is in following the Black Hawks.

Mr. Raymond Kopcinski, who is in his second year at St. Rita, is a member of the English Department, teaching English I and III. He holds a B.A. degree from the University of Illinois. Mr. Kopcinski enjoys skiing and ice-skating and is an assistant coach of the hockey team.

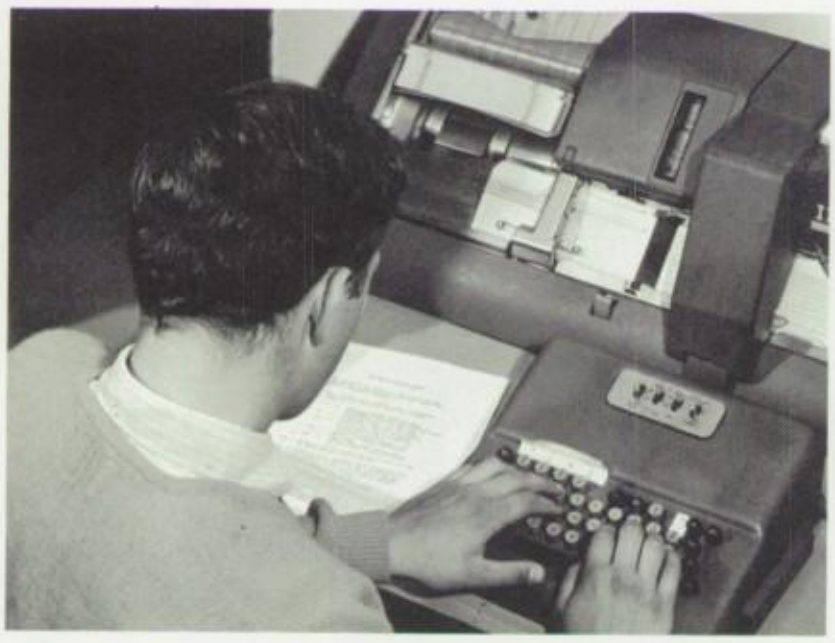
Mr. James Hoffman, a newcomer to St. Rita, teaches English IV, and is an assistant football coach. He holds a B.S. degree from the University of Illinois. Mr. Hoffman enjoys all types of athletics.

Data Processing Department serves the school and students alike

In its four years of operation Saint Rita's Data Processing Department has pioneered the use of Unit Record Equipment in performing services to the school. The Department has devised methods to schedule both student and teachers, to do all tuition billing, and to perform many other invaluable services to the school by the use of standard business machines. The Mother's Club and the Alumni Association have also taken advantage of this modern approach to administration work by having the center do all their envelope addressing through the use of an I.B.M. Accounting Machine. All this has been accomplished under the direction of Father Casimir Pazera, O.S.A.

Besides performing various services to the school the Department offers a course in Data Processing taught by Father Edward Novak, O.S.A. In this course the student is taught the operation and panel wiring of Unit Record Equipment. Also the basic concepts of computers are covered including flowcharting, programming, and a study of basic computer languages.

The course is designed to show the college bound student the uses of various machines and techniques. And to give those who do not plan to attend college an experience in the field which will help them to decide if this is the work into which they will enter after graduation.



Performing a job for the Data Processing course, Tom McGrath uses a I.B.M. Keypunch to punch the needed cards.

Fr. Casmir Pazera, who came to St. Rita in 1961, teaches electronics and is chairman of the Industrial Arts Department. He holds a B.A. from Villanova University and also manages the Data Processing Center. Fr. Pazera moderates the Radio Club and is interested in electronics and amateur radio.

Fr. Edward Novak, who came to St. Rita in 1964, holds a M.A. from Villanova University and teaches Advanced U.S. History and Data Processing. In his spare time he enjoys reading and sports.

Both students and parents watch closely as Bro. Martin explains the function of an I.B.M. Accounting Machine.

Bro. Martin, who came to St. Rita in 1959, works in the Date Processing room and in his spare time he enjoys basketball, sailing, camping.

History Department; Emphasizes Interpretation

The Social Studies Department, under the chairmanship of Mr. Joseph Bamberger, places emphasis on critical analysis of events in history. By offering problem-orientated courses and discussion among students, the department tries to prepare students for college studies.

Foremost in the college prep courses is Advanced U.S. History, taught to the senior honors classes. Fr. Edward Novak, O.S.A. taught the course, which relies heavily of student opinion on questions raised when studying history.

The Advanced Placement Test, in its third year of use at St. Rita, has naturally been the object of many of these new techniques. The test gives college credit to any seniors scoring a 3, or above average, grade. It also demands a high degree of historical knowledge, as well as insight and perception in the face of the many implications and possible interpretations of the events which shape history. High achievement on the Advanced Placement Test is now a major goal of the Social Studies students.

Juniors and seniors both have seen emphasis placed on the class discussion method of instruction this year. Using such books as **Our Nation from Its Creation** and **Conflicting Interpretations of American History**, both years have had history presented to them as a series of personal interpretations of unchanging facts, in which events must be investigated and analyzed before conclusions can be reached. Such a view of history can only enlarge the student's grasp at understanding and perceiving the intracacies of historical studies.

In keeping with the department's policies, the sophomore Civics course for the honors has been compressed into one semester, allowing a course in Modern European History to be taken in the second semester. In this course the same points are emphasized as in the courses of the later years, thus preparing sophomores for college work.

A further effort to make college studies more relevant to the preparation given the history student at St. Rita can be seen in Mr. Bamberger's attempt to obtain a National Educational Development Act grant from the federal government for the teaching of college history at the high school level. In this way, more students would be encouraged to major in history at college, and many would at least become more adept at handling the more subjective technique of teaching college social studies.

The Social Studies department hopes to continue to make the policy changes necessary to make the course more relevant to college studies and problems encountered in everyday life.

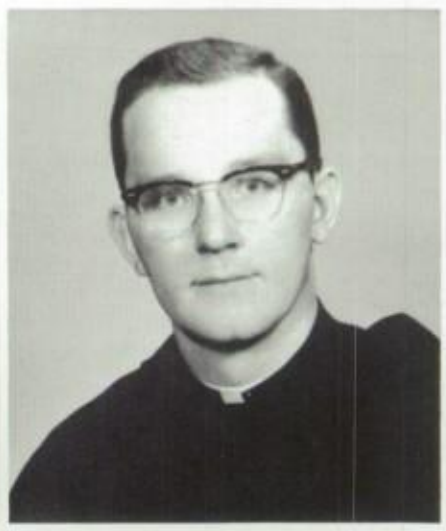
Mr. Joseph Bamberger has been at St. Rita since 1960. He is the Chairman of the Social Studies Department and teaches U.H. History, Contemporary U.S. History, and World Problems. Mr. Bamberger is also president of the St. Rita Teachers Association and Coordinator of Social Studies for the Midwest Augustinian Province. He is a member of the Phi Gamma Mu National Honor Society and enjoys reading.

Mr. Ado Rugai, a faculty member since 1966, teaches American Government, Contemporary U.S. History, and World Problems. He holds a B.S. from Loyola University and is currently working for an M.A. in Political Science from Loyola. He enjoys movies, sports, reading, and music.

Mr. Robert Kopecky teaches Ancient and Medieval History and is the Head Coach of the St. Rita Light and Heavyweight Basketball teams. Mr. Kopecky holds an M.A. from DePaul University. His interests are golf and basketball.

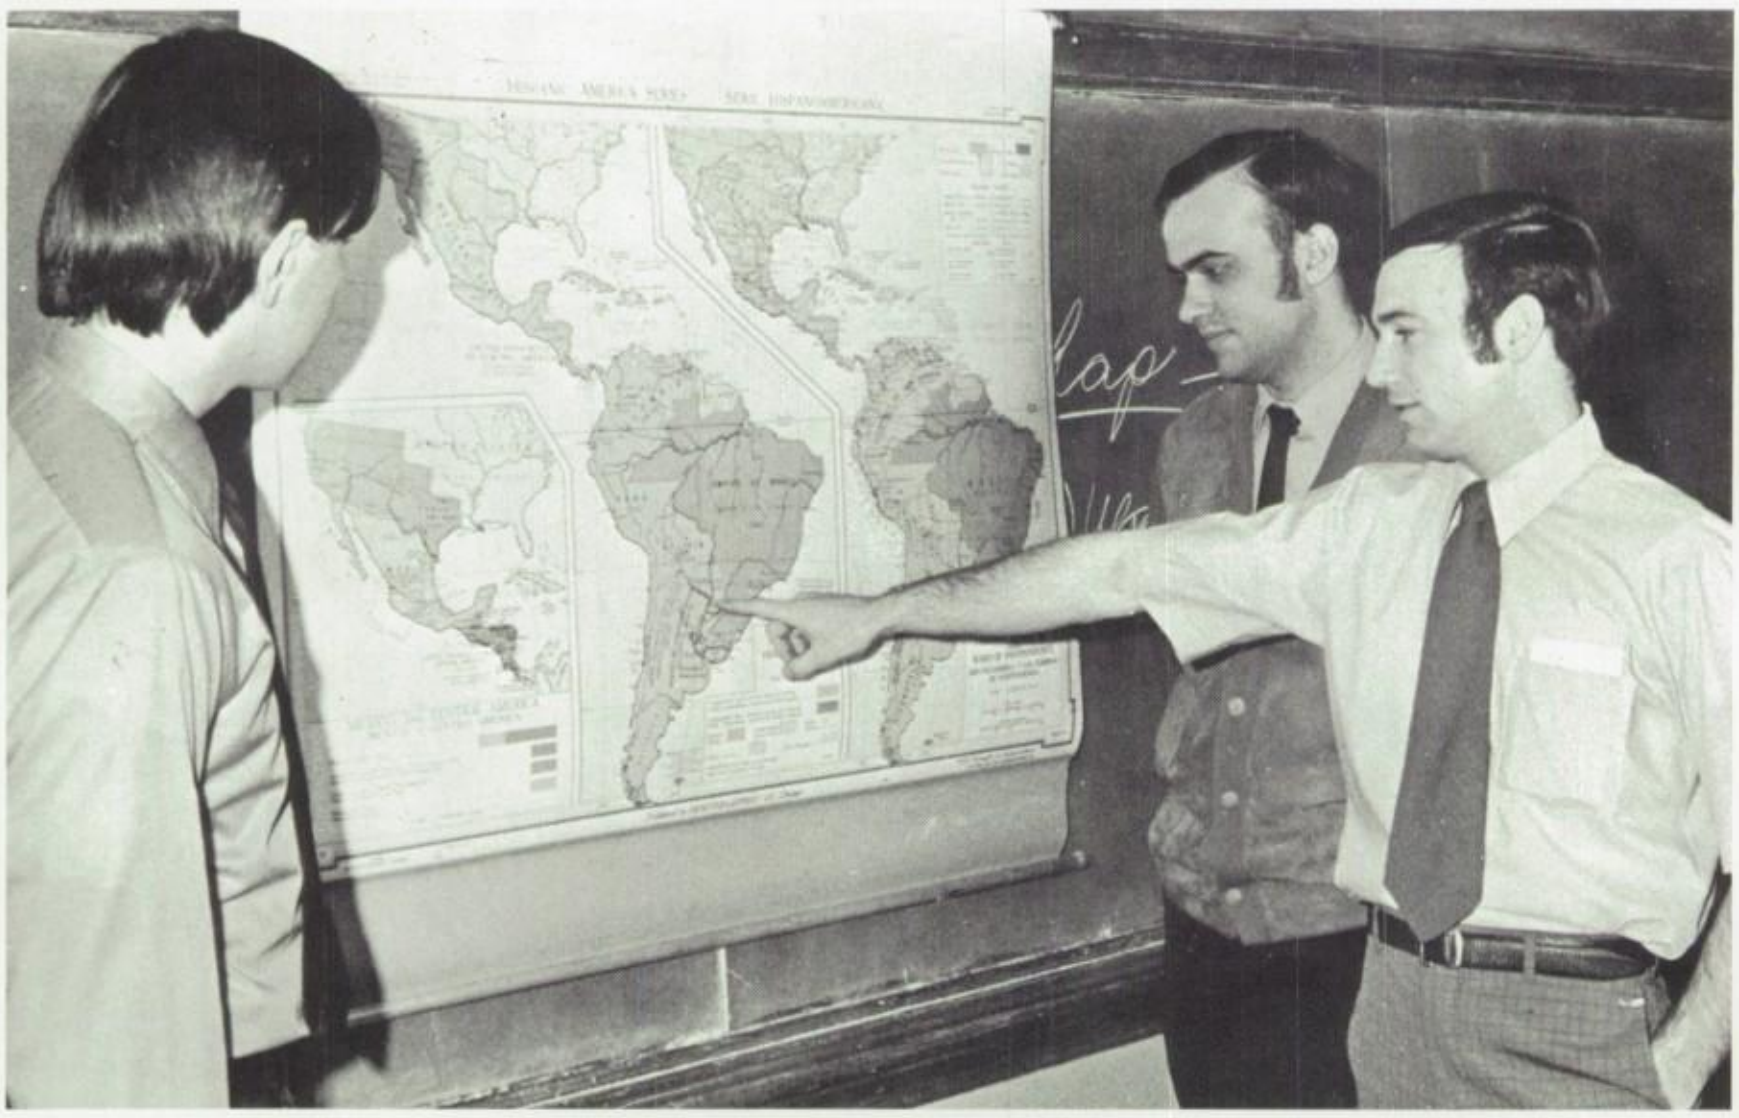
Mr. Ronald Nowak, who came to St. Rita in 1964, holds a B.S. degree from Loyola University and teaches World History, Civics, and Latin I. He is assistant Varsity Basketball Coach and Coach of the Frosh-Soph Basketball team. He enjoys sports, music, and chess.

Fr. Michael Hogan, O.S.A., an alumnus who came to Rita in 1960, belongs to the Guidance and Theology Departments. He received an M.A. in Guidance and Psychology from DePaul and an M.A. in History from Villanova and teaches Sociology. Fr. Hogan is the Vice-Principal of Guidance and the School Public Relations Director. He likes working with people, listening to music, politics, and water skiing.

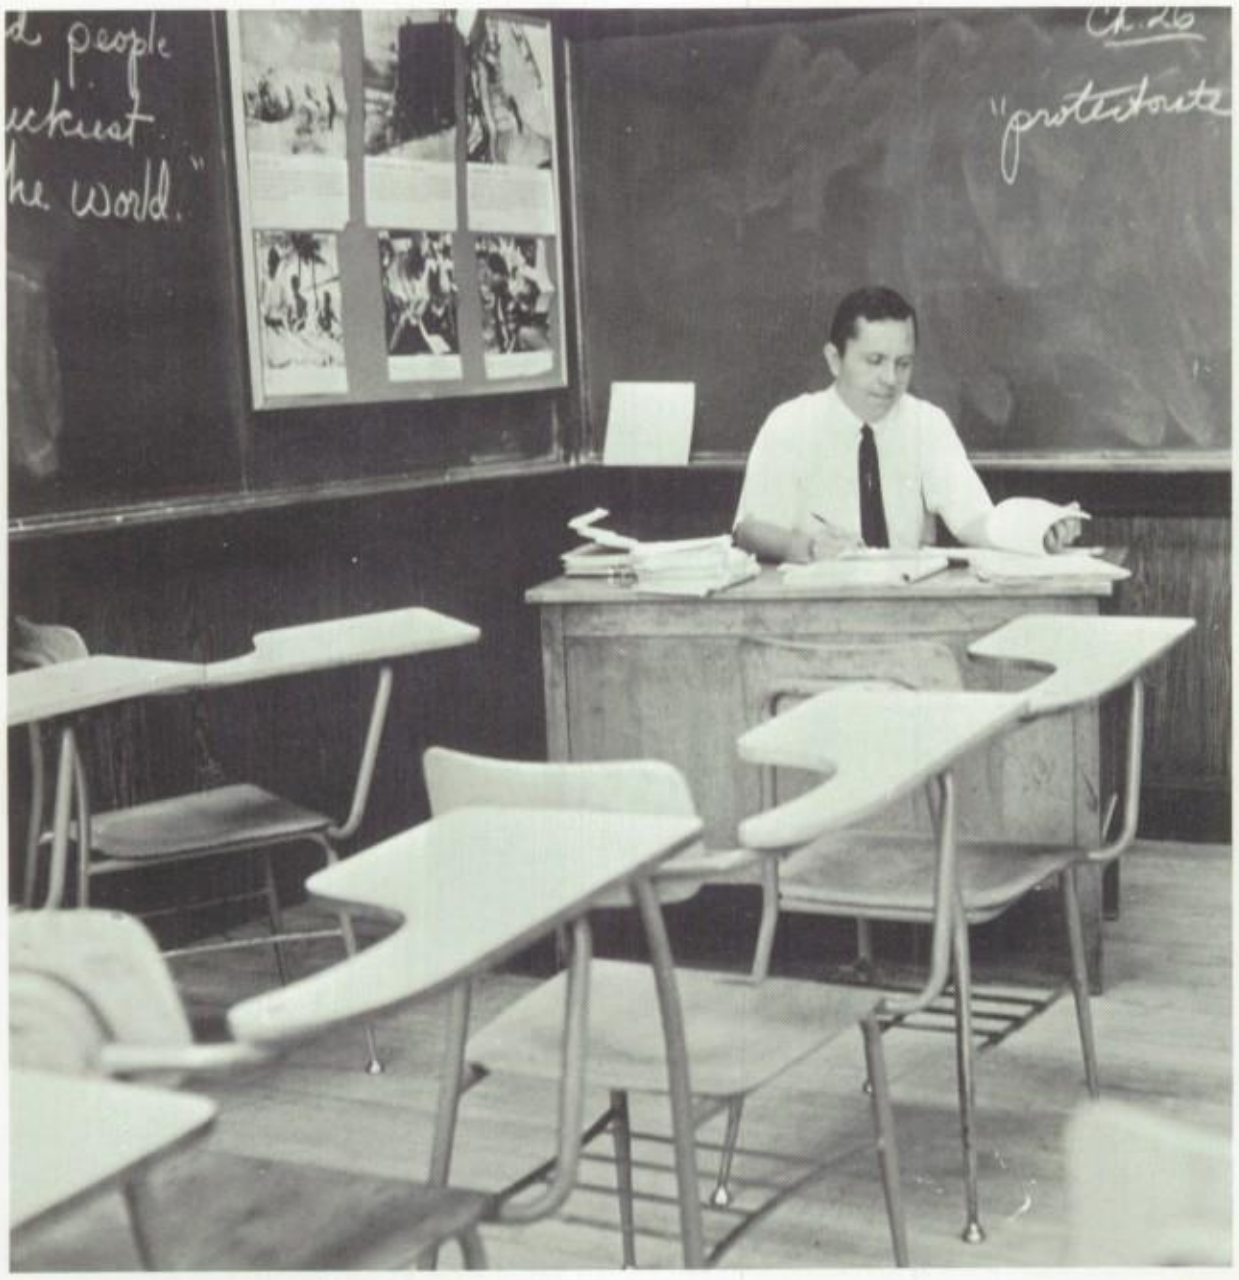


Fr. Anthony Hogan, O.S.A., is in the Social Studies and Theology Departments. He has received a Masters in History from Villanova and a Masters in Theology from Xavier College. He teaches Modern European History and Theology I. Aside from counseling and participating in the Adult Theology Program, Fr. Hogan enjoys reading, football, and basketball.

Mr. Jania lectures to his class on the importance of a knowledge of world geography.



Using visual aids such as maps, Mr. Eckert shows the spread of the revolutions for independence in South America.



Mr. Bamberger finds time to correct papers from his U.S. History class between periods.

The use of outside reading material helps Mr. Duffy recreate attitudes of people in history.

Fr. John Fitzgerald, O.S.A., who began his career at St. Rita 28 years ago, belongs to the Social Studies, Language, and Industrial Arts Departments. He holds an M.A. from Loyola University and teaches U.S. History, Mechanical Drawing, and French I. His hobbies are model railroading, sailing, and flying.

A newcomer to St. Rita, **Mr. Michael Eckert** teaches Contemporary U.S. History and World Problems IV. He holds a B.S. in Physical Education and is head coach of both the Track and Cross Country teams. In his spare time Mr. Eckert enjoys sports.

Fr. Leo Cavanaugh, a St. Rita faculty member since 1951, teaches Theology II and World History. He holds a B.A. from Boston College and has done graduate work in economics at the Catholic University. He enjoys all sports.

Fr. Michael Hogan always appears busy, but he will always take time to listen.

Mr. Dennis Szot, here at Rita since 1964, teaches U.S. History and Civics. He holds a B.A. from St. Michael's College in Santa Fe, New Mexico. He also takes pleasure in watching sports.

Mr. James Jania in his second year at St. Rita teaches World Georgraphy and Civics. He holds a B.S. in Education from Chicago State College and is a member of the Association of American Geographers. He likes to collect coins and to participate in sports.

Mr. Robert Glascott came to St. Rita in 1969 and belongs to the Business Department, teaching Marketing, Accounting I, and English. He holds a B.S. degree from Northern Michigan University. Mr. Glascott is also an assistant football coach.

Mr. James Duffy, in his first year at St. Rita, teaches U. S. History. He holds a B.A. degree from John Carroll University and is an assistant football coach. His hobbies are sports and art.

Business Department To Provide Opportunity

Saint Rita's Business Department has greatly expanded and improved its courses over the past few years. The Department's size has, over the past ten years, grown from 1 teacher and 150 students to 4 teachers and over 750 students. All this growth and improvement has been accomplished under the direction of Mr. August Jeffery, the Department Chairman.

The main goal of the Business Department is to supply the needs of college bound students while still giving opportunities to students of lower achievement. Since every 1 out of 4 college freshmen enter as business majors, the Department feels that it must meet these students needs by offering a wide variety of business related courses.

The course offerings include Typing I & II, Marketing, Business Law & Economics, and Accounting II for Juniors and Seniors; Accounting I for Sophomores; and General Business for Freshmen.

Mr. Jeffrey points out the figures that the student must add to prepare an income tax form.

Mr. August Jeffrey, Chairman of the Business Department, has been a St. Rita faculty member since 1952. He teaches Typing, Business Law and Economics. Mr. Jeffrey has earned a M.S.I.R. degree from Loyola University and is well-known as a Lunchroom supervisor.

Mr. Eugene Farrel has been at St. Rita since 1967. He holds a B.A. degree from Notre Dame and teaches Civics and Business Law. His interests include all sports, stock investment, and real estate.

Mr. Jeffrey queries his class on the elements of business law which includes the legality of contracts and other topics dealing with business transactions.

Mr. Richard Grill, in his second year at St. Rita, holds a B.S. degree from Chicago State College. He teaches General Business, Business Law and Economics. In his spare time, Mr. Grill enjoys reading and writing.

Mr. Farrel and Mr. Jeffrey discussing Business Dept. plans with Fr. Novak and Mr. Waitre.

Variable and Progressive Program Becomes Goal of Math Department

Math Department

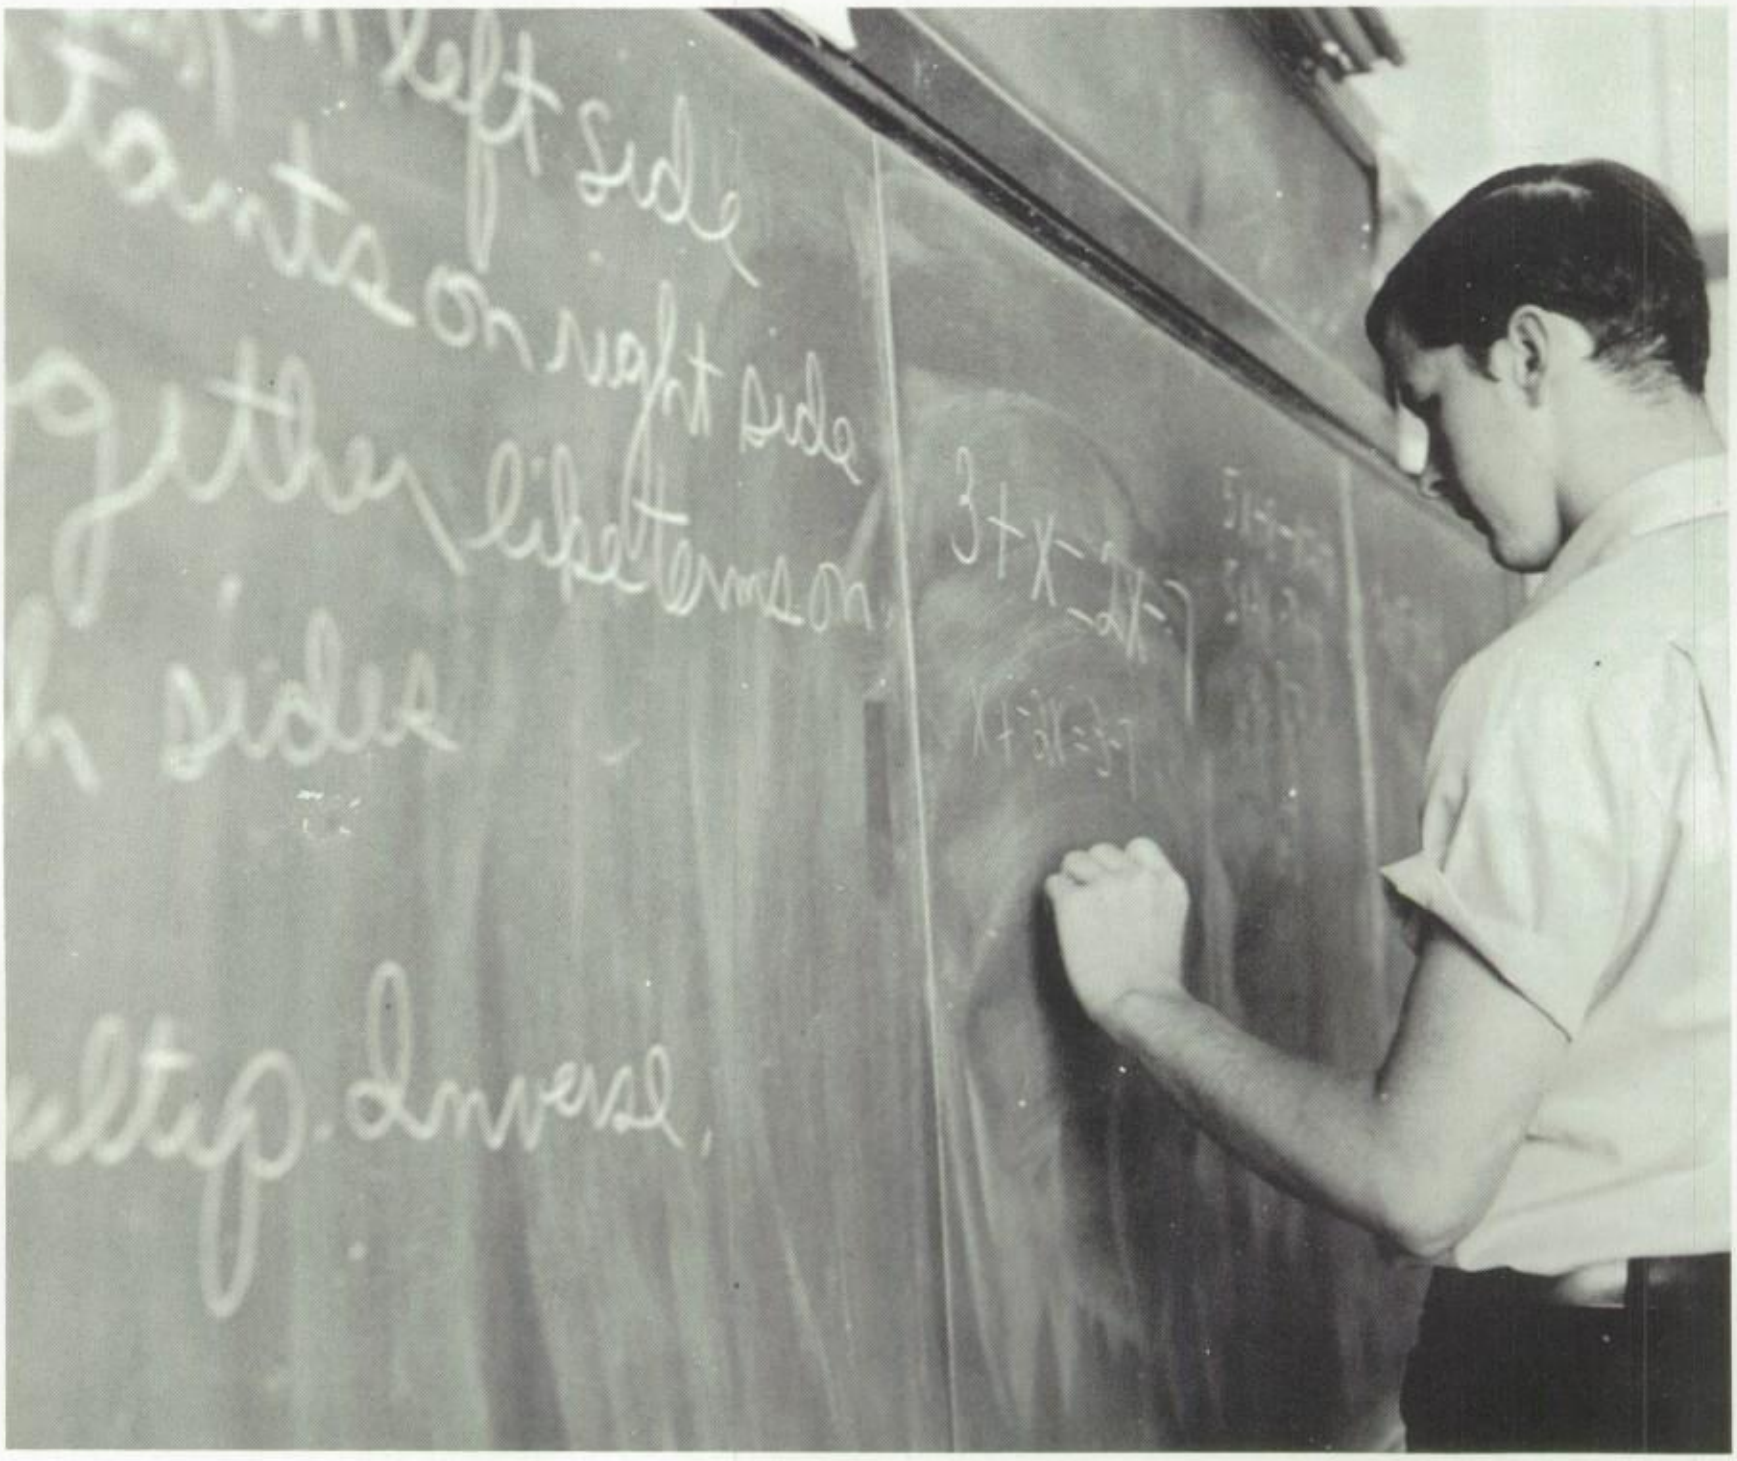
The Mathematics Department under its new chairman, Mr. Norbert Lasky, has continued to present the students with a varied and progressive course in Mathematics emphasizing the responsiblity of the student in the course.

In the Freshman course, the students are introduced to elementary algebra – fundamental operations, exponents, graphing, fractions, and basic functions – and are called upon to prove their solutions to the problems through the use of basic theorems which they have learned. In proving his solution, the student relies on mathematical induction.

In the second year, students are introduced to Euclidean geometry which emphasizes step by step deductive solution to fundamental theorems. In the honors classes, coordinate geometry is also studied in some depth.

The Juniors study advanced algebra in which the idea of function predominates. Juniors become familiar with and learn to graph algebraic, quadradic, trigonometric, and exponental functions.

Senior math analysis presents the student with the advanced concepts of derivatives, intergrals, limits and probability. Students are given the theory and sample problems, but rather than deal with a step by step solution, they solve a set of problems at home every night. The next day they discuss the problems with which they had difficulty. Through the foundation of mathematical thought received in the first three years, the students advance to a pre-calculus level in preparation for college courses.



Mr. Grill and Mr. Lasky, Dean of the Math Department, relax in the faculty lounge during their lunch period. In the background, Mr. Eckert arranges a track meet by phone.

Mr. Norbert Lasky, who came to St. Rita in June of 1963, holds a B.S. degree in Mathematics from Loyola University. He teaches Geometry and is the chairman of the Mathematics Department. His interests are coaching Little League baseball and gardening.

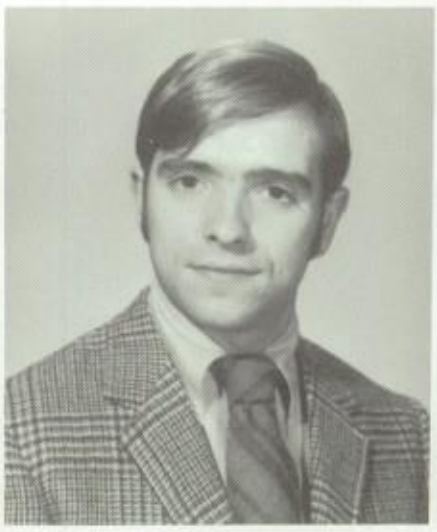
Mr. Paul Glazar, who came to St. Rita in 1969, belongs to the Mathematics Department and teaches Essential Algebra and Algebra I. He has received a B.A. degree from St. Procopius College in 1969 and recently been named to the "Who's Who in American Colleges and Universities". His Interests lie in sports cars, sports, music, and interior decorating.

Fr. Robert Chrupka, O.S.A., who has taught at St. Rita since 1966, holds an M.A. degree in Religious Education from the Augustinian College in Washington, D.C. Fr. Chrupka teaches Algebra II and Sociology. His interests include Psychology, Sports, Ecology, and Sociology.

Mr. Desmond Coleman, Dean of Lay Teachers and Assistant Vice-Principal, is a forty-one-year veteran of St. Rita. He has earned an M.A. degree in Mathematics from DePaul University and teaches Algebra I. Mr. Coleman is also a Frater Ordinis affiliate of the Order of St. Augustine.

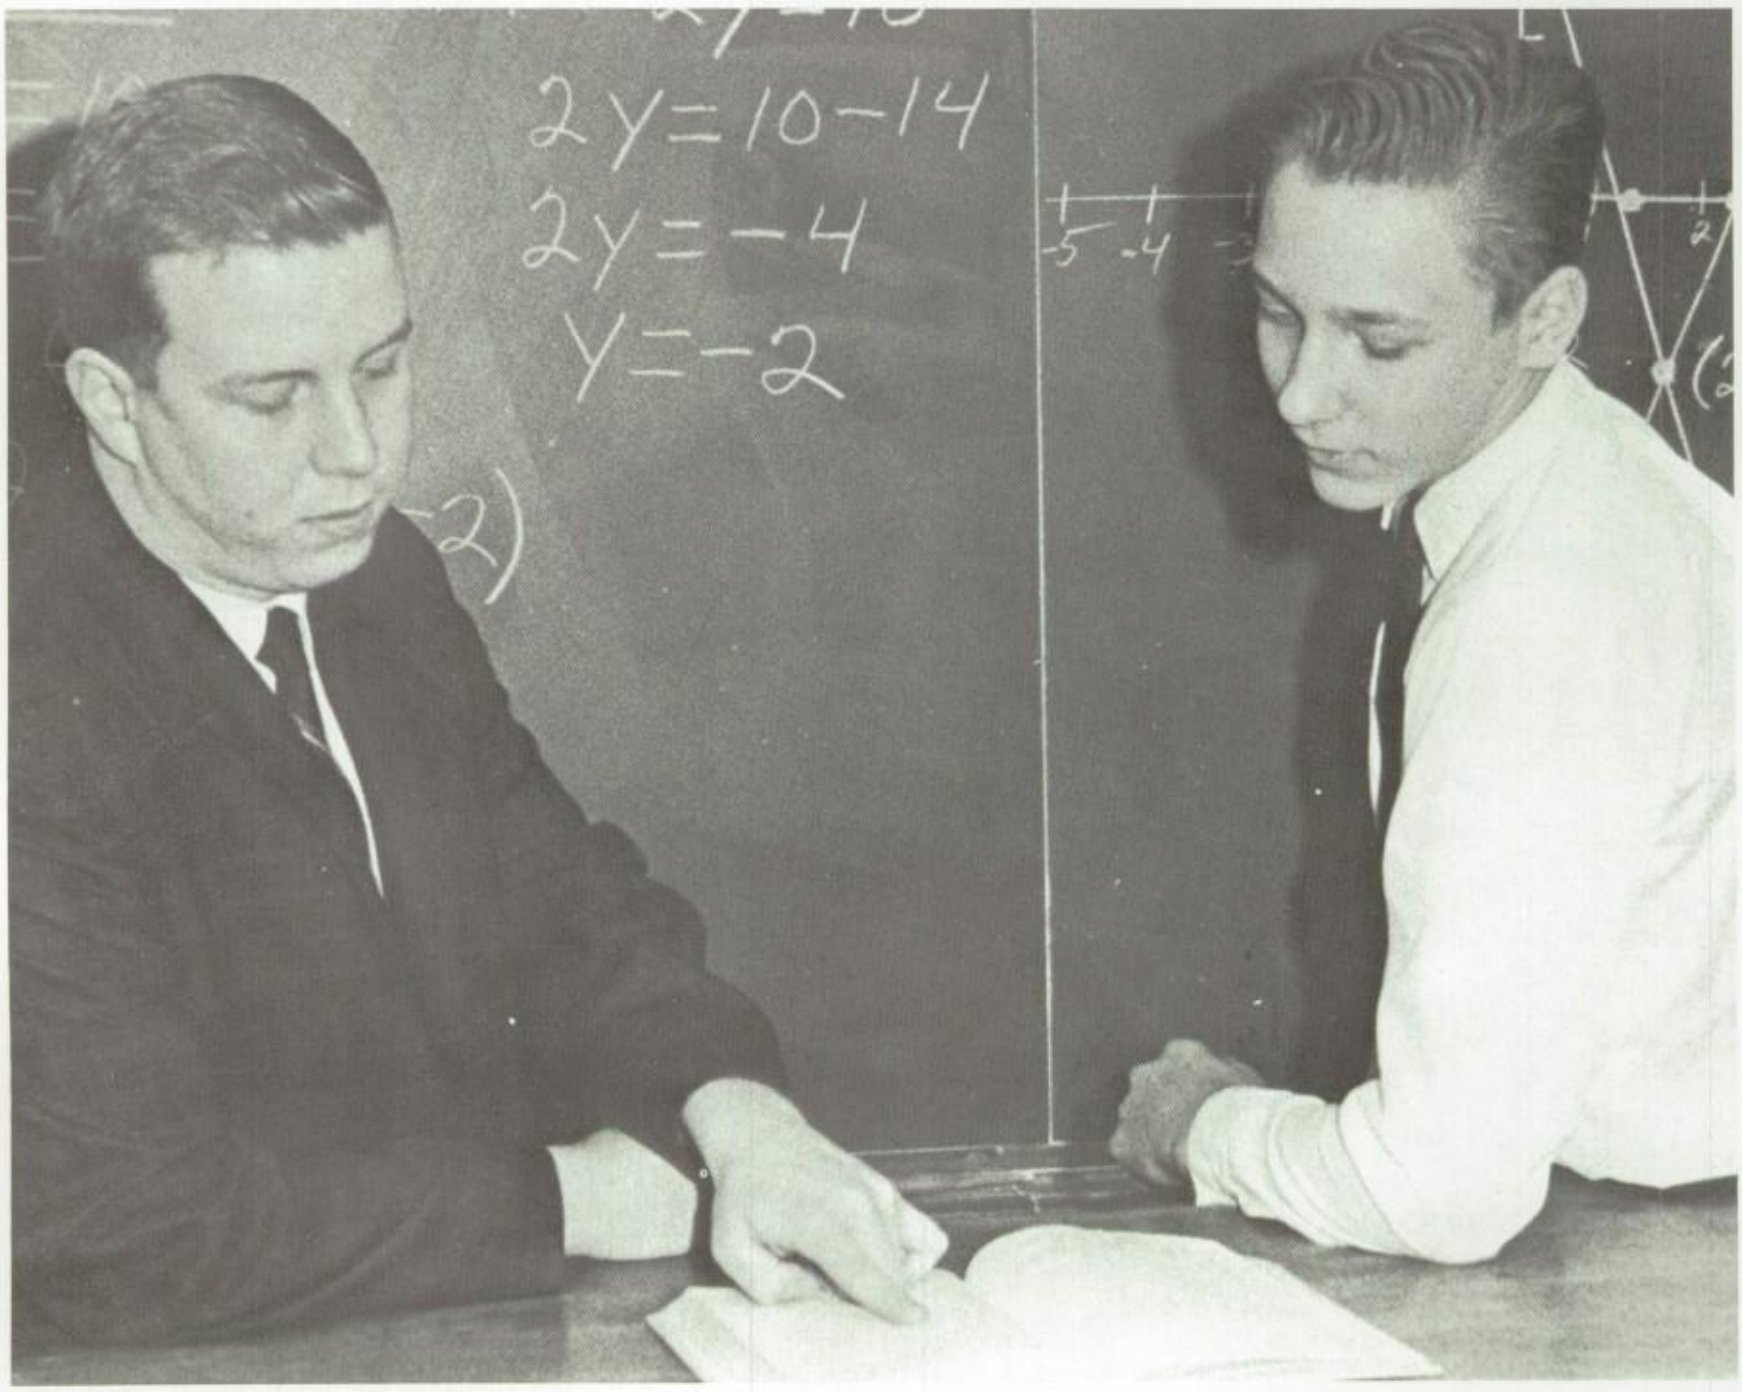
Mr. Edward Petka who came to St. Rita in 1968, teaches Geometry and Algebra I. He holds a B.A. degree from Southern Illinois University. His interests are football, hockey, and basketball.

Mr. Donald Meehlis, who came to St. Rita this year, teaches Geometry and Algebra I. He received his B.S. of Mathematics from St. Procopius and is interested in all sports particularly golf.



Mr. John Erb, a newcomer to St. Rita, belongs to the Math Department and teaches Geometry. He holds a B.A. degree from the University of Detroit and was the Chairman of the St. Rita Homecoming Committee. Mr. Erb is on the T.W.P.P.C. and in his spare time enjoys dramatics, sports cars, water skiing and sailing.

Mr. Bernard Kill, a member of the Mathematics Department, came to St. Rita in 1966. He teaches Algebra I and II, and holds a B.S. degree from Loyola University. Mr. Kill enjoys golf and bowling.



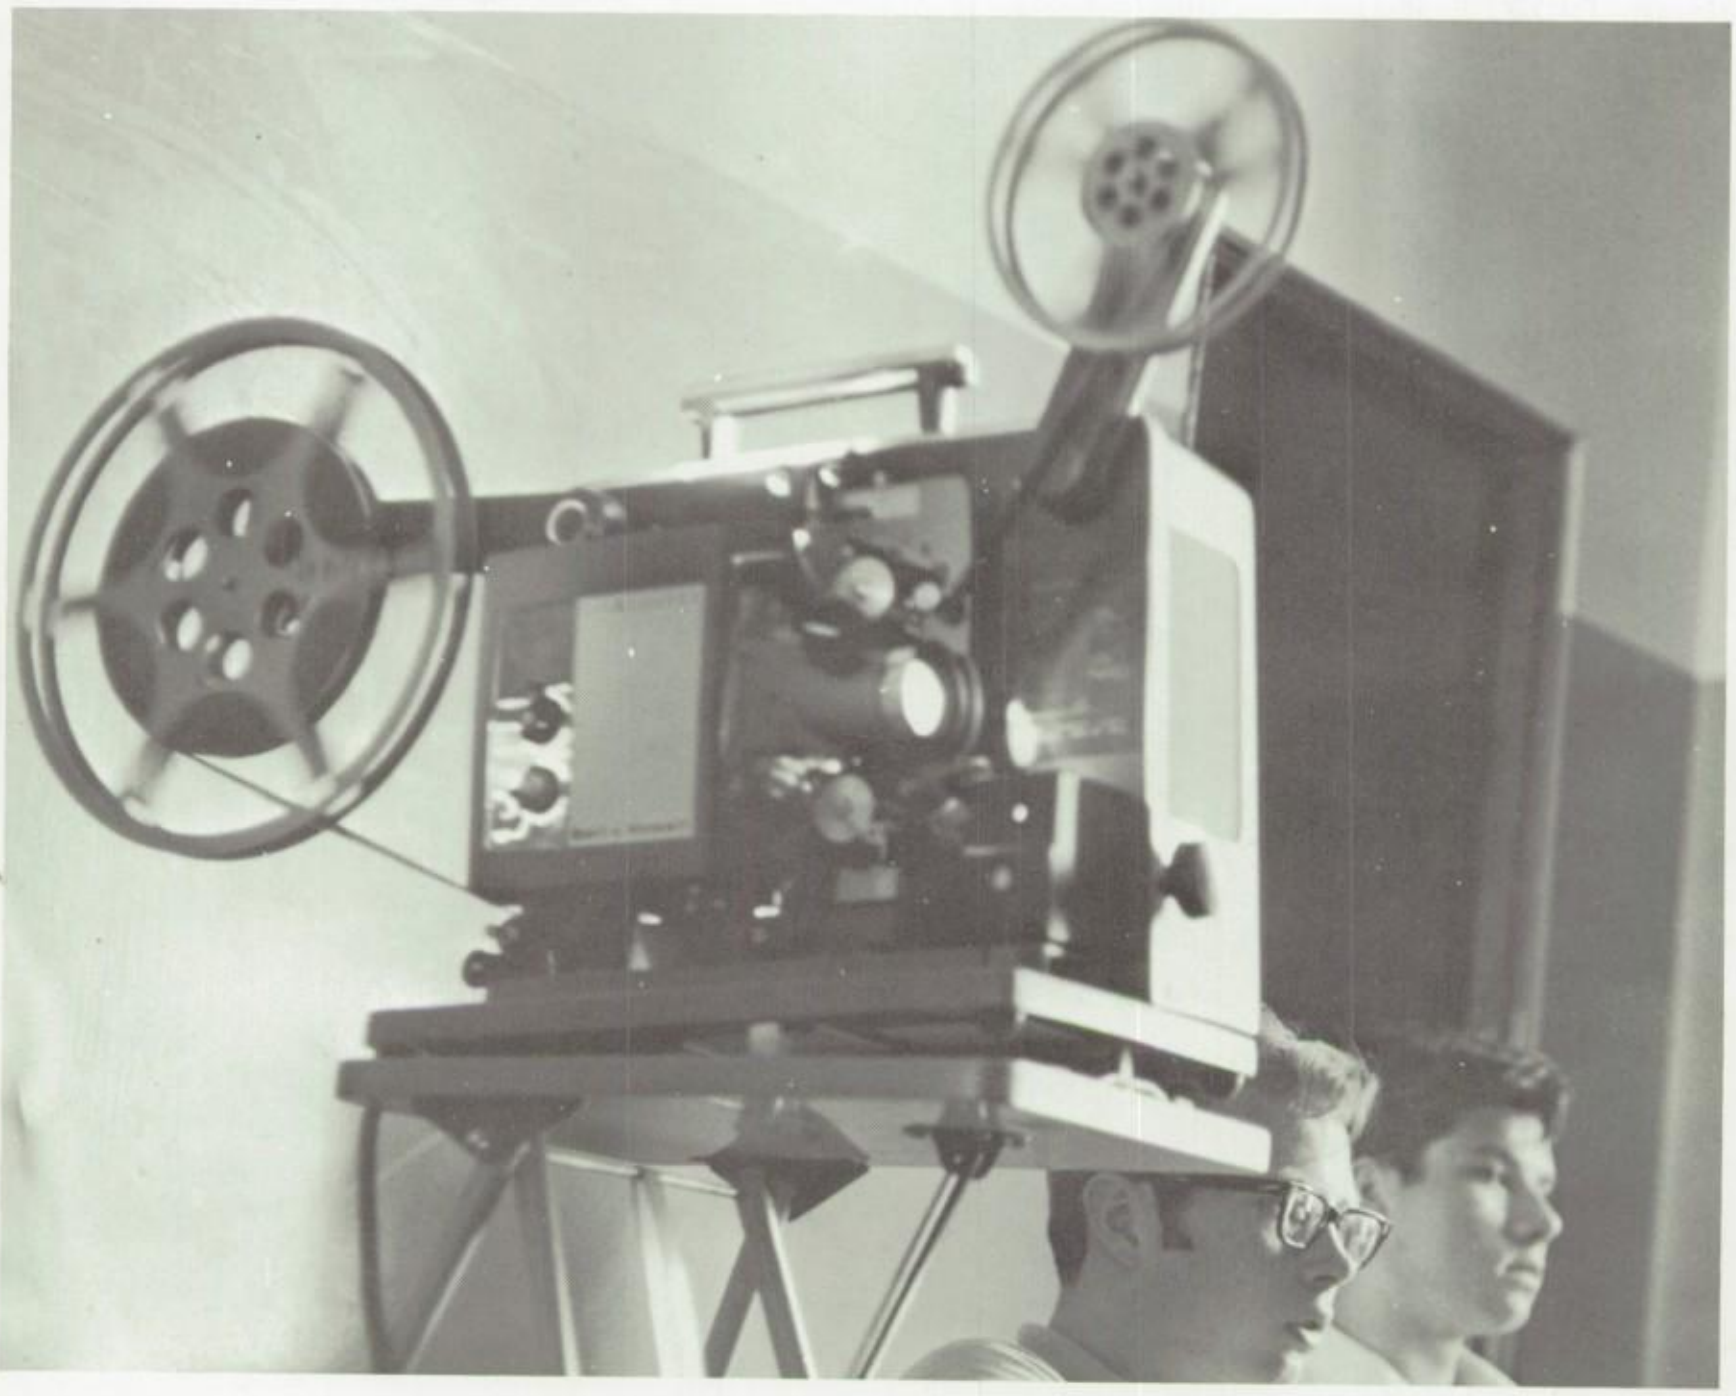
Mr. Kill helps out Bill Mockaitis after class by explaining the solution of what seem to be difficult algebraic equations.

Language Dept. Expands Advanced Study

Under the direction of Mr. Gregory Pawlowski, the Saint Rita Foreign Language Department, through continued expansion of both materials and instruction, placed a greater emphasis on the college-bound student who plans to continue his study of foreign languages during his college career, a necessary requirement for a student planning to receive a Bachelor of Arts degree.

The expanded curriculum includes four-year sequences in Latin, French, and Spanish and a two-year sequence in German, offered in the junior and senior years. Besides the regular courses in Spanish and French, a voluntary Advanced Placement program was offered to advanced students as part of a two-year sequence during the third and fourth years. Through the use of more extensive readings and drill, the Advanced Placement students are eligible to receive college credit for high school work. The extent of the college credit received is determined by a test given during the second semester of the senior year.

A new method of instruction was also introduced in some Spanish and French classes. This new, more modern, system, called the "oral method", allows the student to learn and get the "feel" of the language by speaking it to his classmates and teacher. This system, combined with the existing "translation method" and the cultural aids instituted last year, form a more solid approach to the study of foreign languages.



As part of the new stress on language culture, audio-visual aids are becoming increasingly more important in foreign language classes.

Mr. Zalatoris receives assignment on the latest translation from one of his Spanish II students.

Mr. Gregory Pawlowski, Chairman of the Language Dept., is in his fourth year at St. Rita. He holds a B.A. degree from University of Illinois and is working for his M.A. at Loyola. Mr. Pawolwski teaches French I,II,III,IV and Advanced Placement. In his spare time he enjoys bowling, golf and chess.

Mr. Roman Zalatoris, who came to St. Rita in 1954, teaches Spanish I and II. He holds a M.A. from DePaul University and enjoys reading and sports.

Mr. Raymond Matkovich, in his fourth year at St. Rita, holds a B.A. degree from DePaul University and teaches Spanish I and II. In his spare time he enjoys hunting and fishing.

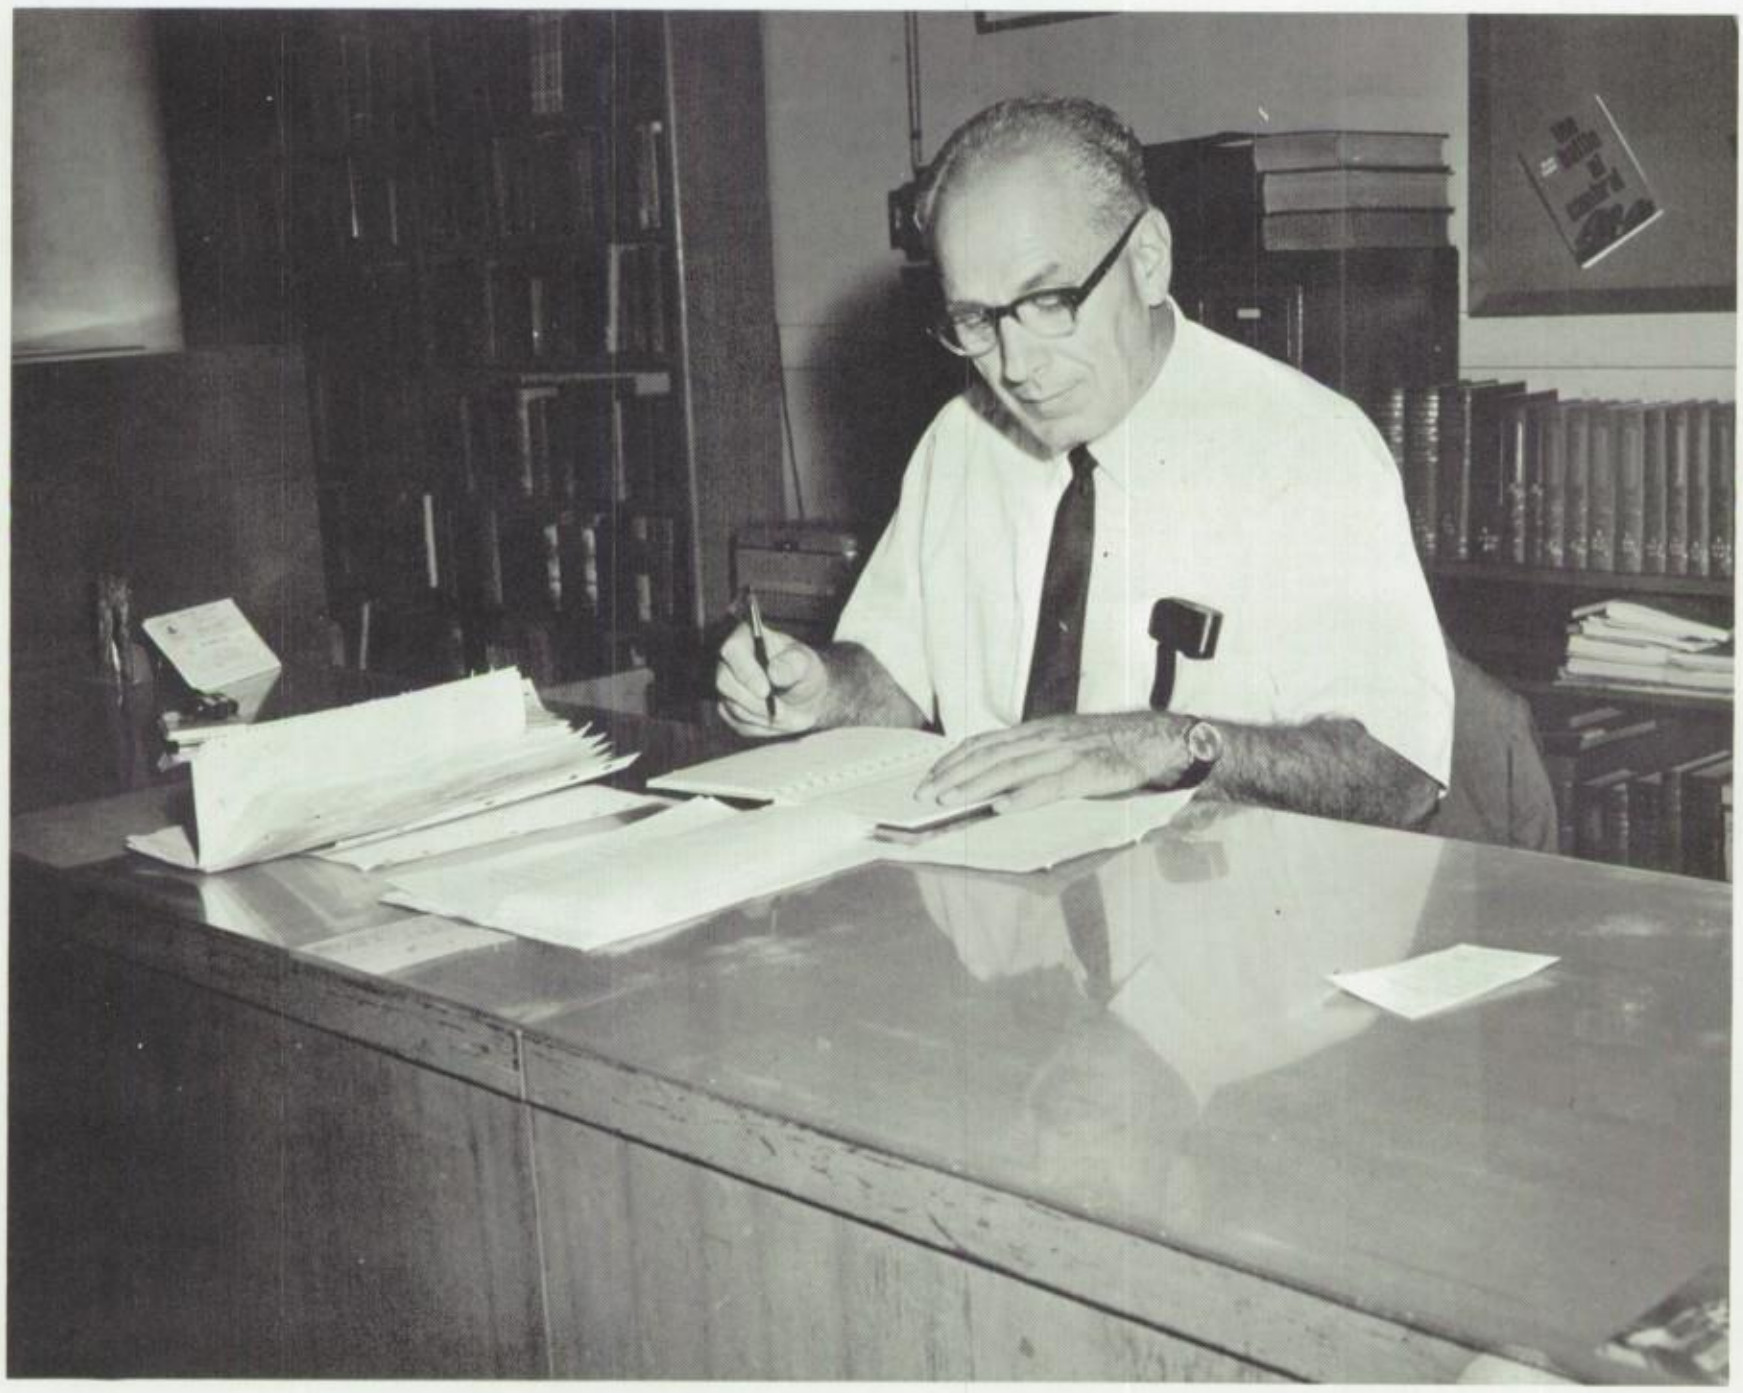
Fr. Ralph Giovinetti, O.S.A., who came to St. Rita in 1945, teaches Latin II,III and IV. He is Moderator of the Bowling Team and enjoys bowling and golf.

Mr. Victor Petro, a St. Rita Faculty member since 1952, teaches Spanish I and U.S. History. He holds a B.A. degree from St. Michael's College and takes pleasure in watching sports.

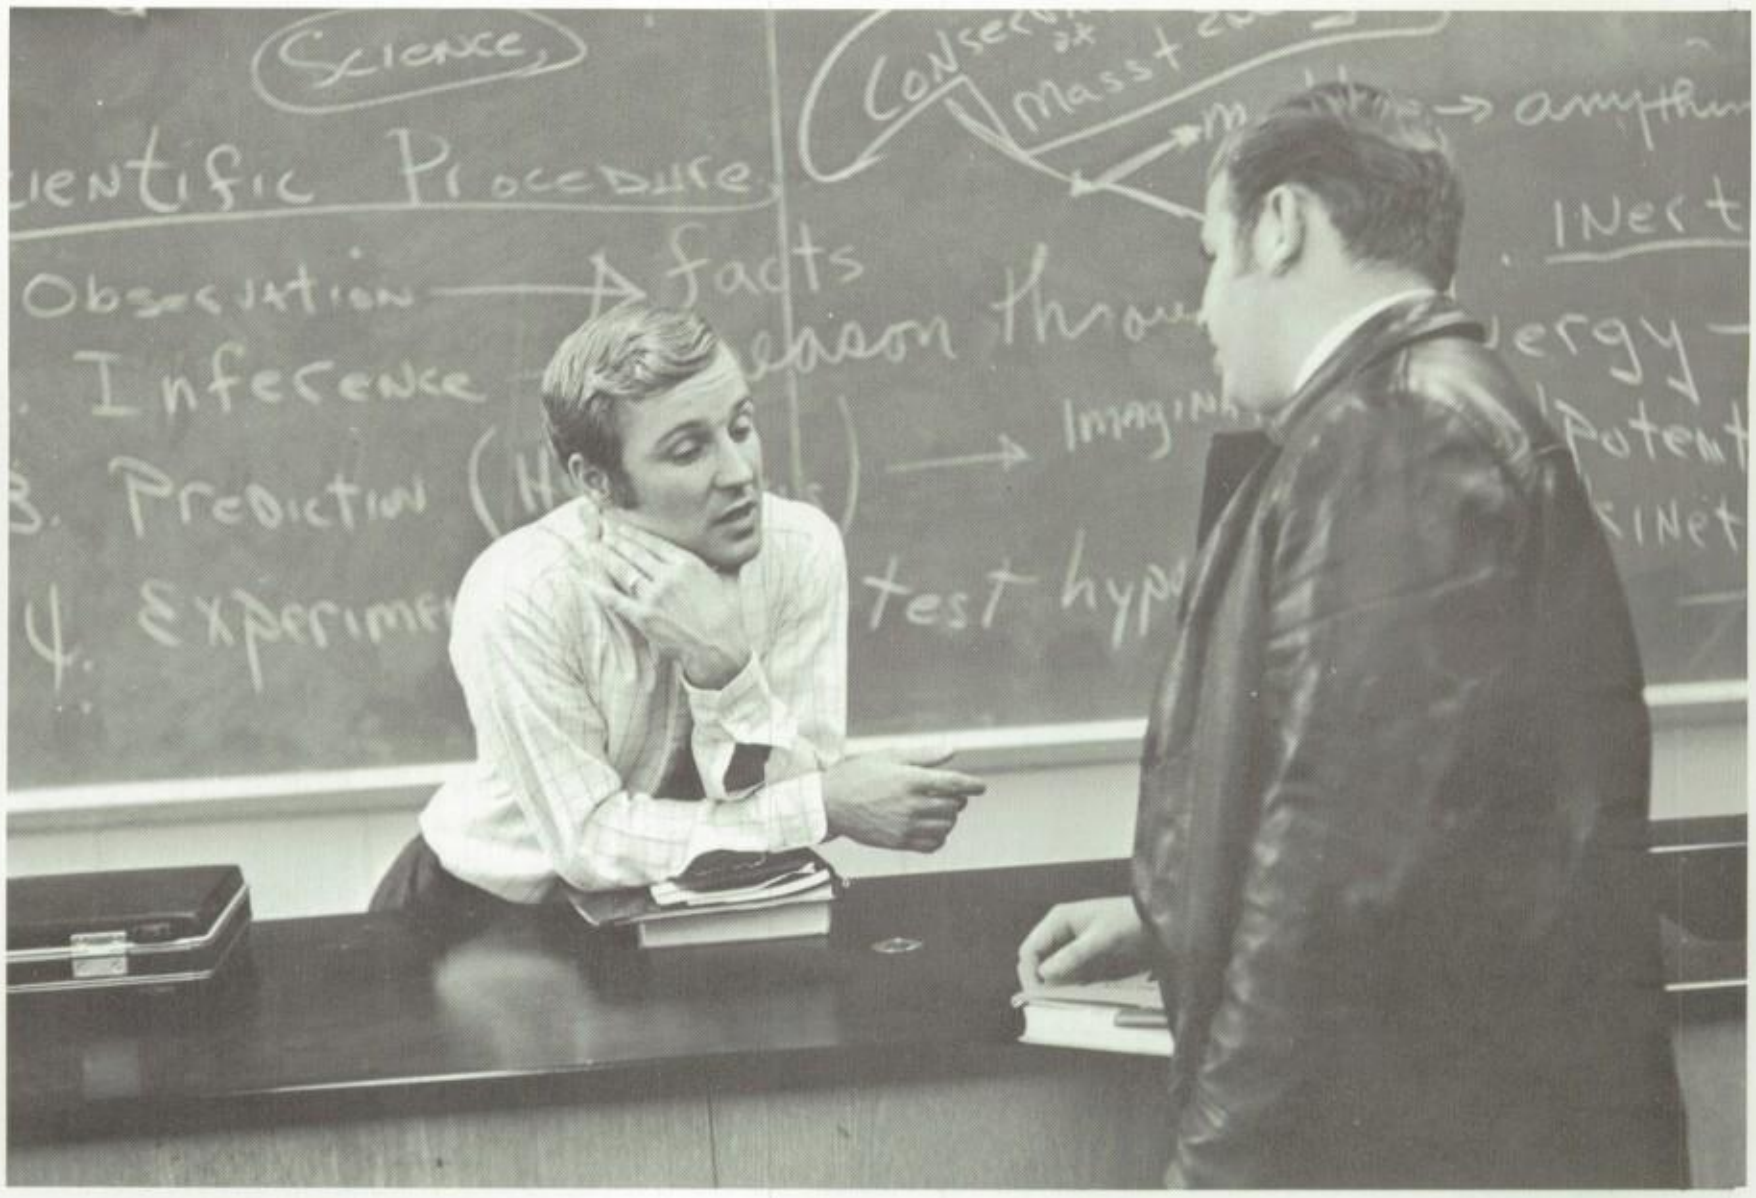
Mr. Raymond Konrath, a St. Rita Faculty member since 1964, holds a B.A. degree from Quincy College and teaches English I and German I and II. Mr. Konrath coaches Frosh-Soph. baseball and Field events.

Fr. Dominick Caniglia, O.S.A., is in his second year at St. Rita after being absent since 1965. He holds a B.A. degree from Villanova and teaches Theology II and Latin. Fr. Caniglia is interested in coin collecting.

Fr. William Thomas, O.S.A., a faculty member since 1947 is Head Disciplinarian at St. Rita and teaches Spanish I. He holds a B.A. degree from Villanova and is moderator of the Father's Club.



Mr. Petro, while watching the study hall in the library, corrects tests for next period's Spanish class.



Science Department Increases Biology Offering

Colleges are demanding that more students have a greater knowledge of science. To meet this demand the St. Rita Science Department has increased the number of biology classes for Freshmen from three to ten. This increase will enable more students to take more science courses such as chemistry, physics, and electronics.

The Science Department has rooms 308 and 313 converted into biology lecture rooms. These rooms have been equipped with a number of shelf facilities. These shelves hold much of the visual aid materials which had been concentrated in the biology lab. New storage facilities have been added to the biology lab itself. This additional space allows the students to experiment more effectively.

The annual St. Rita Science Fair gave students a chance to exhibit their science projects. Students entered projects from all branches of the sciences. Many of these projects were entered in the Archdiocesan Science Fair. From there several students were chosen to show their projects at the Illinois State Fair at the University of Illinois.

Mr. Ronald Dvorak, Chairman of the Science Department, is in his seventh year at St. Rita. He holds a M.A. in history from Notre Dame University and teaches physics. Mr. Dvorak moderates the Chess Club and enjoys playing Bridge.

Mr. Sigmund Eisenschenk is in his first year at St. Rita. A Rita graduate, Mr. Eisenschenk holds a B.S. from Loyola and teaches physics. He is moderator of the Cascian and in his spare time enjoys motorcycles.

Fr. John Flaherty, O.S.A., Has been a member of the St. Rita Faculty since 1956. He holds an M.S. from Villanova University and teaches biology and theology. Outside of class, he moderates the Mendel Science Club and enjoys golf, skiing and sailing.

Mr. Christopher Waitr in his first year at St. Rita teaches Biology. He received a B.S. degree from St. Procopius College. Mr. Waitr is an assistant track and football coach and in his spare time enjoys weight lifting.

Mr. Richard Kolar, who has been on the St. Rita science staff since 1965, teaches biology. He holds an M.A. from the University of Southern Mississippi. His interests lie in reading, gardening, and sports.

Mr. David Kerwein helps students doing research in the school's library.

Classroom A-6 provides an excellent area for teaching science courses in which demonstrations of scientific principles must be seen by all the students.

Mr. Clifford explains the differences between the Fahrenheit and Celsius temperature scales to his Earth Science class.

Mr. Philip Igoe, a six-year member of the St. Rita faculty, currently teaches physical science survey. He holds a B.S. degree from Western Michigan University. His favorite pastimes are reading, working with the Boy Scouts, and playing sports.

Mr. David Kernwein, a member of the Science and Social Studies Departments, teaches Earth Science and World Geography. He holds an M.A. from Chicago State College and is the moderator of the Lettermens Club. He enjoys all sports, especially basketball, football, and baseball.

Mr. James Kane, in his second year at St. Rita, belongs to the Science Department. He received a B.S. from St. Procopius and teaches chemistry. His hobbies are music, sports, and chess.

Mr. John Clifford, a St. Rita faculty member since 1967, teaches Earth Science and holds a B.A. degree from Southern Illinois University. In his spare time Mr. Clifford is interested in cartography, the science of map-making.

Gym Classes Stress Competition

Realizing the need for physical as well as academic development in every Rita student, the Physical Education Department continues to improve and expand its gym program. Mr. Cronin, the new department chairman, stresses competitive spirit through the use of various rigorous sports: touch football during fall, basketball during winter, and softball during spring. A winter gym class begins with a few laps around the gym and moves into a spirited game of basketball. Because gym classes are infrequent as a result of the volume of students, Mr. Cronin recommends a series of home exercises to maintain the physique of each student. Mr. Cronin hopes to add another teacher to the program as well as more gym equipment to better accommodate a larger amount of students.

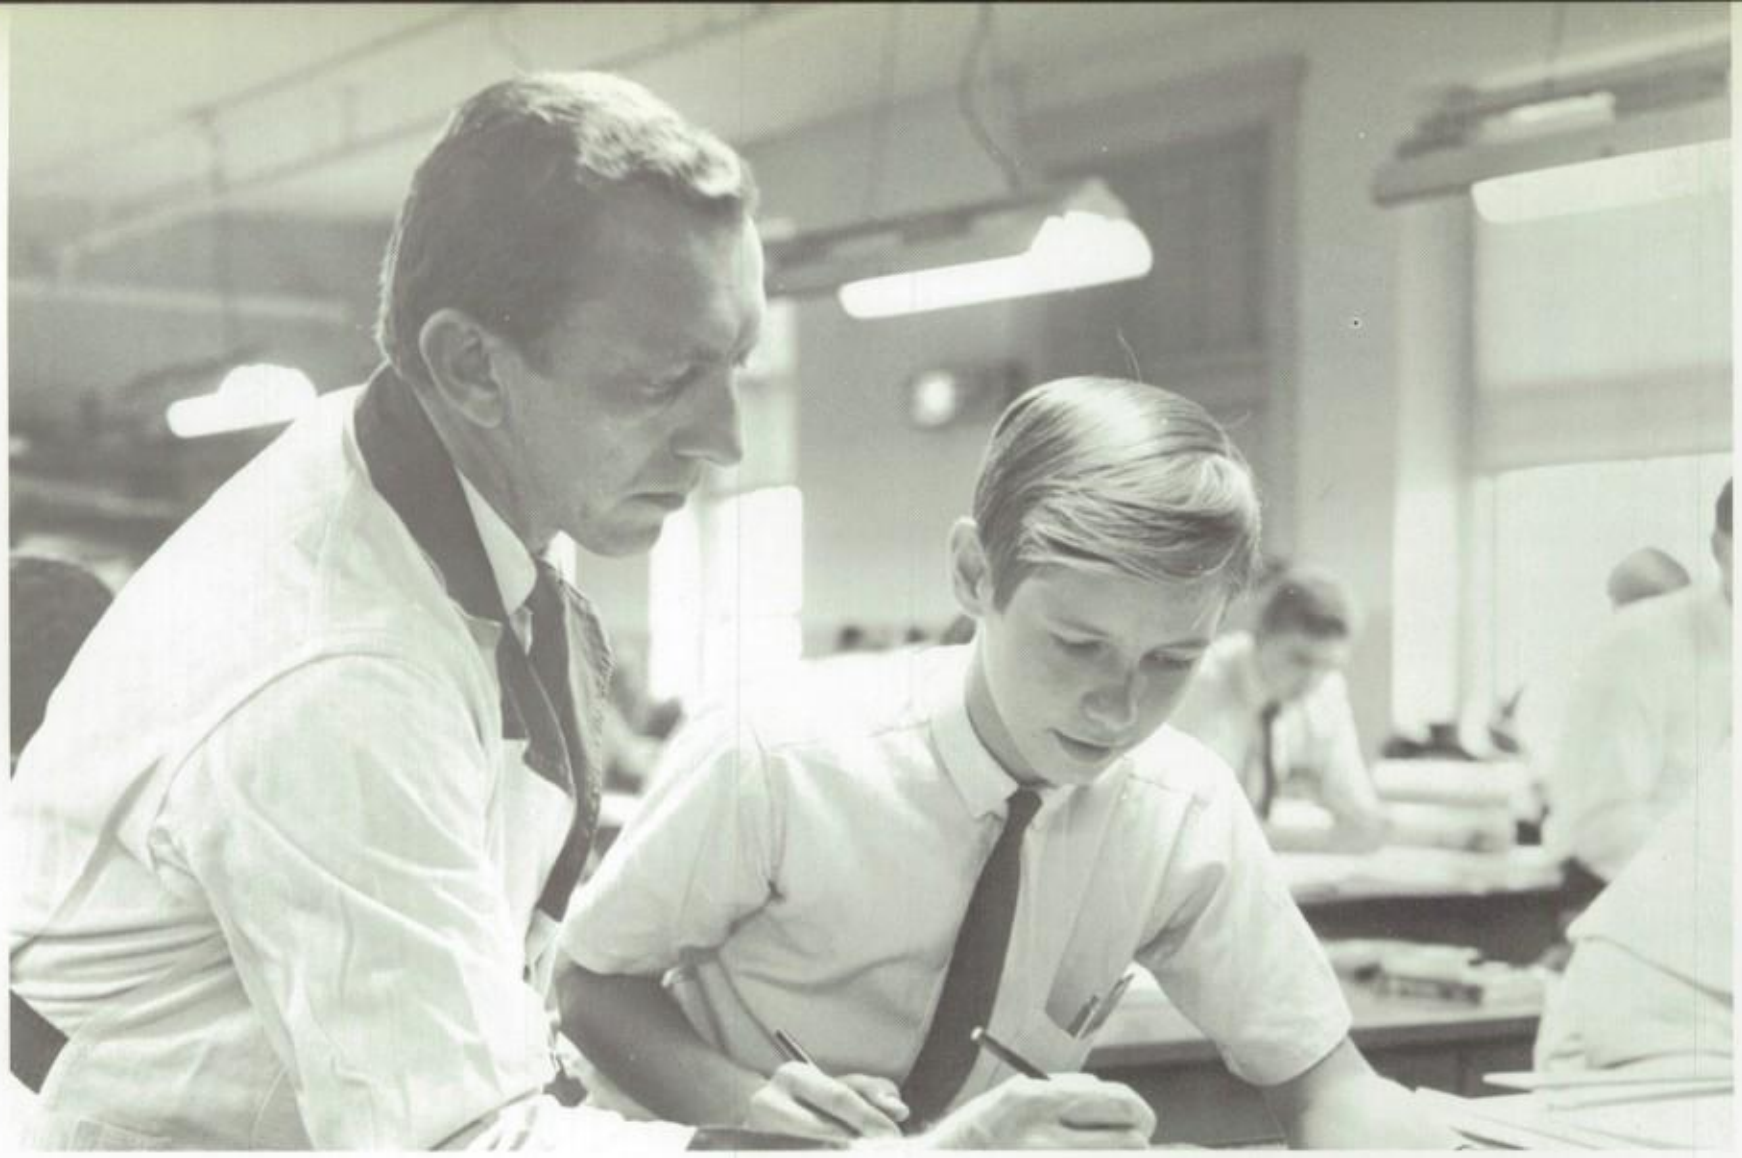
Mr. Patrick Cronin, a newcomer to St. Rita, is chairman of the Physical Education Department and Head Varsity Football Coach. He holds a B.S. degree from St. Benedict's College and claims to be the 5th toughest guy in Chicago. His special interest is football.



Always aware of problems that students encounter in new material, Mr. Florian Dodge helps Ron Kurzejka understand a difficult plate in mechanical drawing.

Industrial Arts Emphasize Practical Courses

Under the chairmanship of Fr. Casmir Pazera, the industrial arts department has improved its delivery of practical courses to the student.

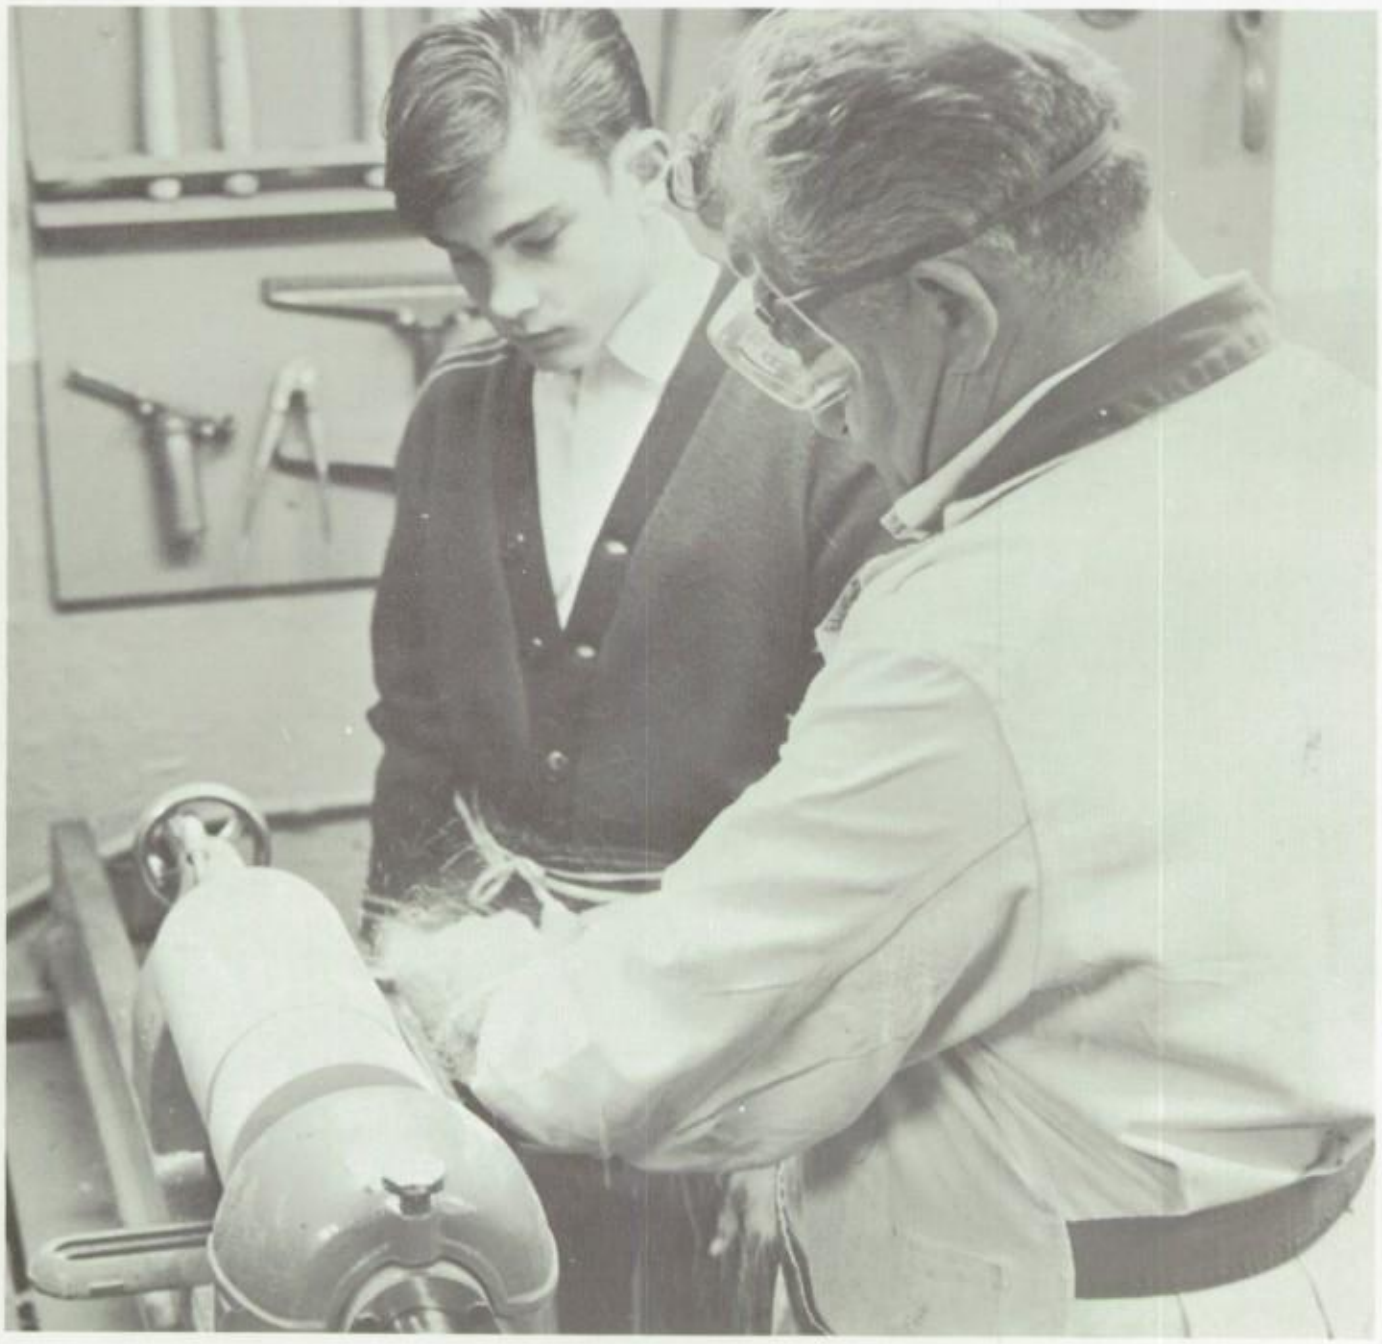
Mechanical drawing and general shop programs are open to the freshmen. In general shop the student learns to work with plastics, formica, and electricity as well as how to use basic tools such as the lathe, sander, and jigsaw. Through the mechanical drawing course the student learns how to draw accurate blueprints. Sophomores are able to attend the automotives class where they are given an opportunity to learn by practical experience as well as by the textbook in a well equipped automotives lab.

In the advanced tech courses the mechanical drawing students revise blueprints for local contractors and plan masters for sheet metal fabrication. The advanced woodshop students build project models and learn how to make cabinets.

Students take an active part in learning how an automobile works in the auto shop that is taught by Brother Joseph.

Mr. Florian Dodge came to St. Rita in 1954. He teaches Mechanical Drawing I and II and Architectural Drawing I. He earned his B.S. degree at Northern Illinois University and in his spare time enjoys all sports.

Mr. James Economakos conducts the woodshop. He came to St. Rita in 1951 and was recently named to the Hall of Fame of Greek Athletes. He received his M.A. from DePaul University. Mr. Economakos enjoys fishing, wrestling and coin collecting.



Mr. Economakas demonstrates the correct method of using a lathe. Safety is highly emphasized in shop courses to avoid injury to students.

A freshman shop student confidently begins to cut a block of wood to be used in a woodshop project. Projects are specifically designed so that finished projects are able to be used in the student's home.

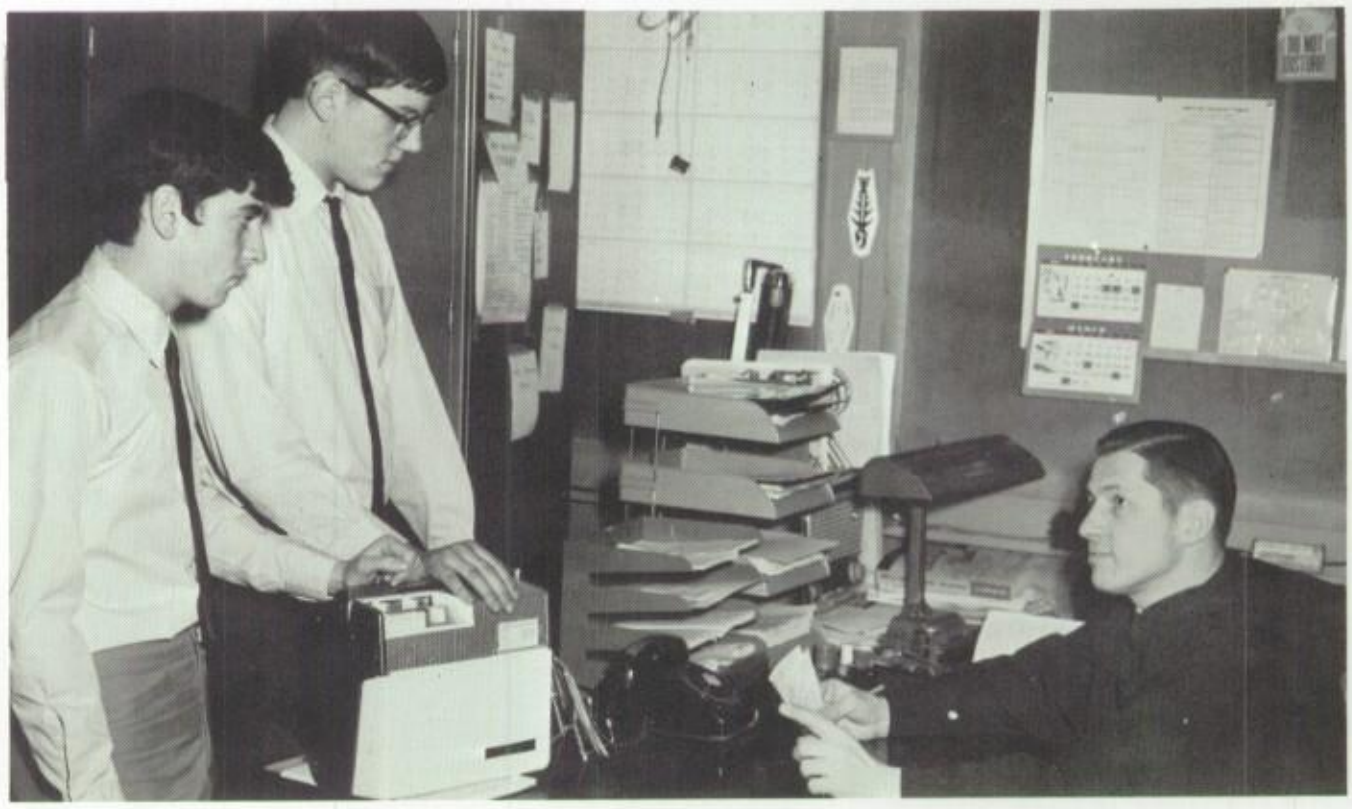
Audio-Visual Department Offers Lunchtime Movies

Mr. John Stobba, in his second year as head of the Audio-Visual Department, has again opened the A-V room to the student body during lunch periods to show movies. These movies are obtained from the government and businesses. Through the help of student volunteers, Mr. Stobba maintains an extensive scheduling of movies during these lunch periods, along with the regular duties of the A-V Department.

To provide new and interesting ways of presenting material to students, teachers rely on the equipment in the A-V room. An extensive library of maps, movies, records, tapes, models, filmstrips, and slides is maintained by the department, along with the equipment to present these materials.

Student aides Gerard Senese, Charles Doohan, John Elsik, Tony Laciak, and Bob Landi check various overhead projectors, film rolls, and tape recorders scheduled for delivery to early morning classes.

John Marfoe and Mike Brazonis wait patiently and listen attentively as Mr. John Stoba, O.S.A., informs them of their duties for the day.



Mr. John Stobba, O.S.A., who came to St. Rita in 1956, holds a B.A. degree from Villanova University. Currently he is the head of the Audio-Visual Department and, among other duties, acts as chapel sacristan, monastery librarian, and county hospital volunteer. Among his special interests are travel, archeology, and the American Indian.

Exchanging a few interesting observations upon the school day, Larry Wolfer and Joe Bara once again prepare to deliver film roll, projector, screen, and stand. Student aides generally discover that their work can be mutually enjoyable as well as beneficial for the school.

Utilizing their knowledge of the various types of equipment available from the Audio-Visual room, Pat Powers, Chuck Wensel, Wally Langoff, and Ross Cipolla prepare a slide projector for classroom use.

Mustang Spa Enlarges Menu To Satisfy Sudents

The Mustang Spa over the years has proved itself as not only a fine cafeteria but also as a place the Rita students can assemble to discuss any topic of the day.

Brother Daniel, O.S.A., in his second year as the Spa supervisor has once again shown his brilliance by keeping his cafeteria and menu up with the times. To the daily menu of Italian Sausage, Bar B Q Beef, Hot Dogs, Hamburgers, and Fried Chicken, Brother Daniel has introduced such favorites as Sloppy Joes, Fish Sandwiches, Steak Sandwiches, Cony Island Hot Dogs, Mustang Suey, Torpedo Sandwiches, and Mostaccalie. Each day the cafeteria specials are announced over the public address system.

The Cafeteria staff consists of Brother Daniel, Brother Jerome, Brother Angelo, and a four woman team that helps in running the Spa.

Although most of the Spa's business comes in the three lunch periods (from 10:45 to 1:15) the brothers are up and around at the cafeteria as early as 6:30 AM. An efficiently running operation, the cafeteria provides a fine atmosphere for dining and relaxation.

Brother Jerome is quick to assist the hungry Rita students.

Bro. Jerome, O.S.A., who graduated from St. Phillip High School, came to St. Rita in 1962. Besides his work in the kitchen, Bro. Jerome moderates the Knights of Augustine and co-moderates the Father's Club. He enjoys sports and fishing in his leisure time.

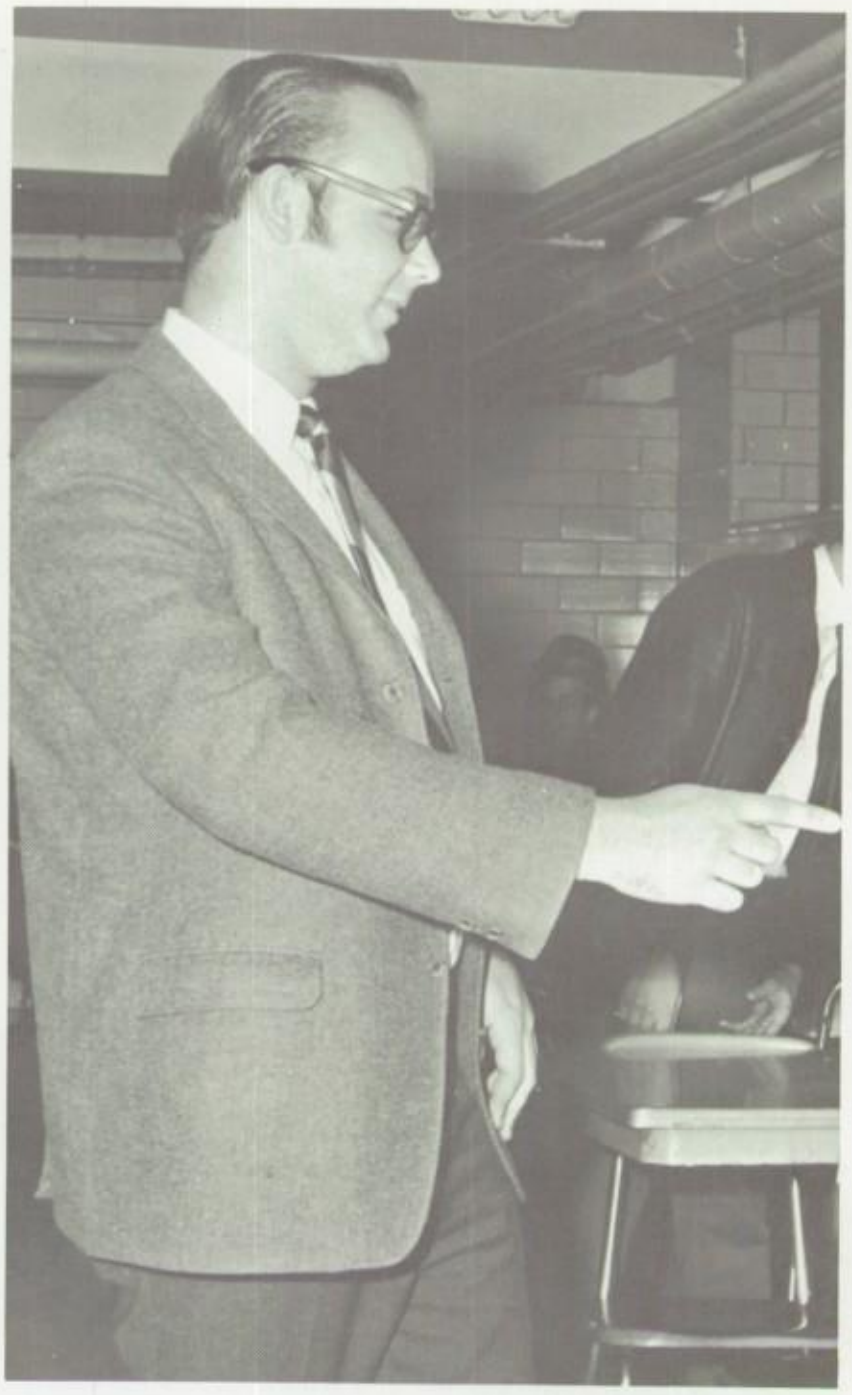
Jeff Ohner, Ted Durkalski, and Pat Riley quickly learn that the Spa is not only a fine place for eating and relaxing but also for entertainment.

Bro. Angelo, O.S.A., in his second year at St. Rita, graduated from Cathedual Lating High School. In addition to his work in the cafeteria, he is taking a course in food supervision at Loop Junior College. Bro. Angelo enjoys playing drums and all sports especially football.

Bro. Daniel, O.S.A., who came to St. Rita in 1966, is the director of the Mustang Spa. He graduated from St. Edward High School in Elgin, Illinois. He currently attends Loop Junior College for a course in food supervision. His interests lie in all sports.

Students on working scholarships or just earning a little spending money work in the cafeteria during lunch periods.

Brother Daniel works as cashier in the cafeteria among his many other duties as member of the staff.



All of the Rita students have a hand in the maintenance of the Spa. Here Mr. Grill is quick to point out an infraction on the part of the students.

Mrs. Eileen LaBarge, who came to St. Rita in 1965, belongs to the cafeteria staff. She has one married daughter and a grandson as well as another daughter who graduated from Maria High School last year.

Mrs. Cecilia Bevignani came to St. Rita in 1967. She is the mother of two boys and actively participates in work for Cerebral Palsied Children as well as being a Cub Scout Den Mother.

Mrs. Helen Di Domenico, a St. Rita staff member since 1966, works in the cafeteria. She has two daughters and three grandchildren, Mrs. Di Domenico is also a member of the St. Rita Christian Mothers.

Mrs. Marczewski, who has been with the Mustang Spa since 1965 has four children as well as two grandchildren. She is a member of the St. Rita High School Mother's Club, and she enjoys club work and bowling.

New Librarian Comes To St. Rita

An important part of every school is a well-stocked and up-to-date library. St. Rita's library is no exception. The library staff, composed of Fr. Joseph Derby, O.S.A., Miss Rose Carter, and Mrs. Lorraine Lococo, keeps the shelves stocked with over 13,000 books and over 300 reference volumes.

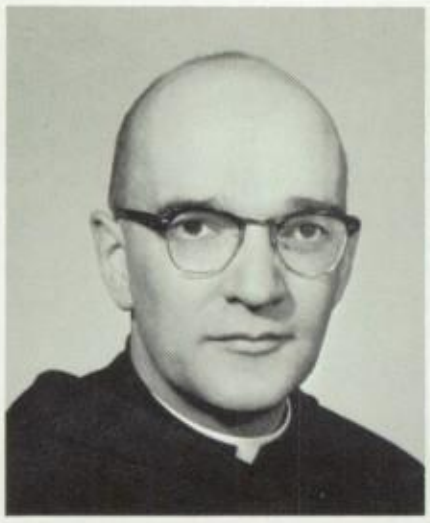
The library serves as a place where students can go to study before and after school, during lunch, and also during free periods. It also serves as a center for various tests which include the National Merit Test and Freshman sight and hearing tests.

Fr. Joseph Derby, O.S.A., who came to St. Rita in 1945, supervises the library. He holds a M.A. in education from Loyola University and another degree in Library Science from Rosary College. Fr. Derby's interests include music, sports, and reading.

Mrs. Lorraine Lococo has been the Assistant Librarian since her arrival at St. Rita in 1966. She has three daughters and enjoys sewing, cooking and reading in her spare time.

Mrs. Lorraine Lococo, Assistant Librarian, prepares new books to be set out in the stacks.

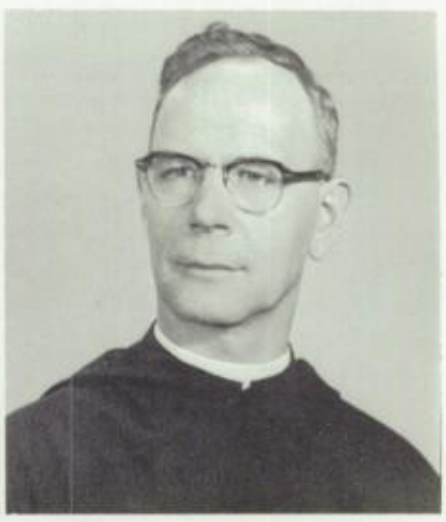
Student pauses at library desk to return his overdue book. The loan and fine system is similar to the Chicago Public Library.



Fr. John Beretta, O.S.A., who came to St. Rita in 1952, is working full-time at Loyola University for his M.A. degree in political science and will begin working for his Doctorate at Notre Dame in September. He was recently named Man of the Year by the Cardinal Mindszenty Foundation.

Fr. Walter McNicholas, O.S.A., who came to St. Rita in 1964, is currently the Provincial Director of Vocations. He holds an S.T.L. degree from the Gregorian University in Rome. In his spare time, Fr. McNicholas is an avid sports fan, taking special interest in football, baseball, and basketball.

Bro. Raymond, O.S.A., in his second year at St. Rita, supervises the maintenance of the Monastery. He graduated from J. Sterling Morton High School in Cicero, Illinois. When not performing his duties at school, Bro. Raymond enjoys reading and sports.



Fr. Thomas Van Thienen, O.S.A., who came to St. Rita in 1953, received a Doctorandus from the State University of Utrecht in Holland. He is currently in charge of the bookstore. Fr. Van Thienen enjoys bowling and experimenting in electronics.

St. Rita Benefits From Work of Many

Fr. Francis McDonnell, O.S.A., who was at St. Rita for six years beginning in 1943 and then returned in 1962, is the Assistant Disciplinarian. He has an M.A. degree in Education from the Catholic University and his major hobby is golf.

Mrs. Melanie Adamski, who came to St. Rita in 1963, is secretary to the disciplinarians. She takes a special interest in all of the activities of St. Rita High School.

Mrs. Marie Demma, in her second year at St. Rita, works in the Main Office of the school as the personal secretary to the Principal. In her leisure she enjoys reading.

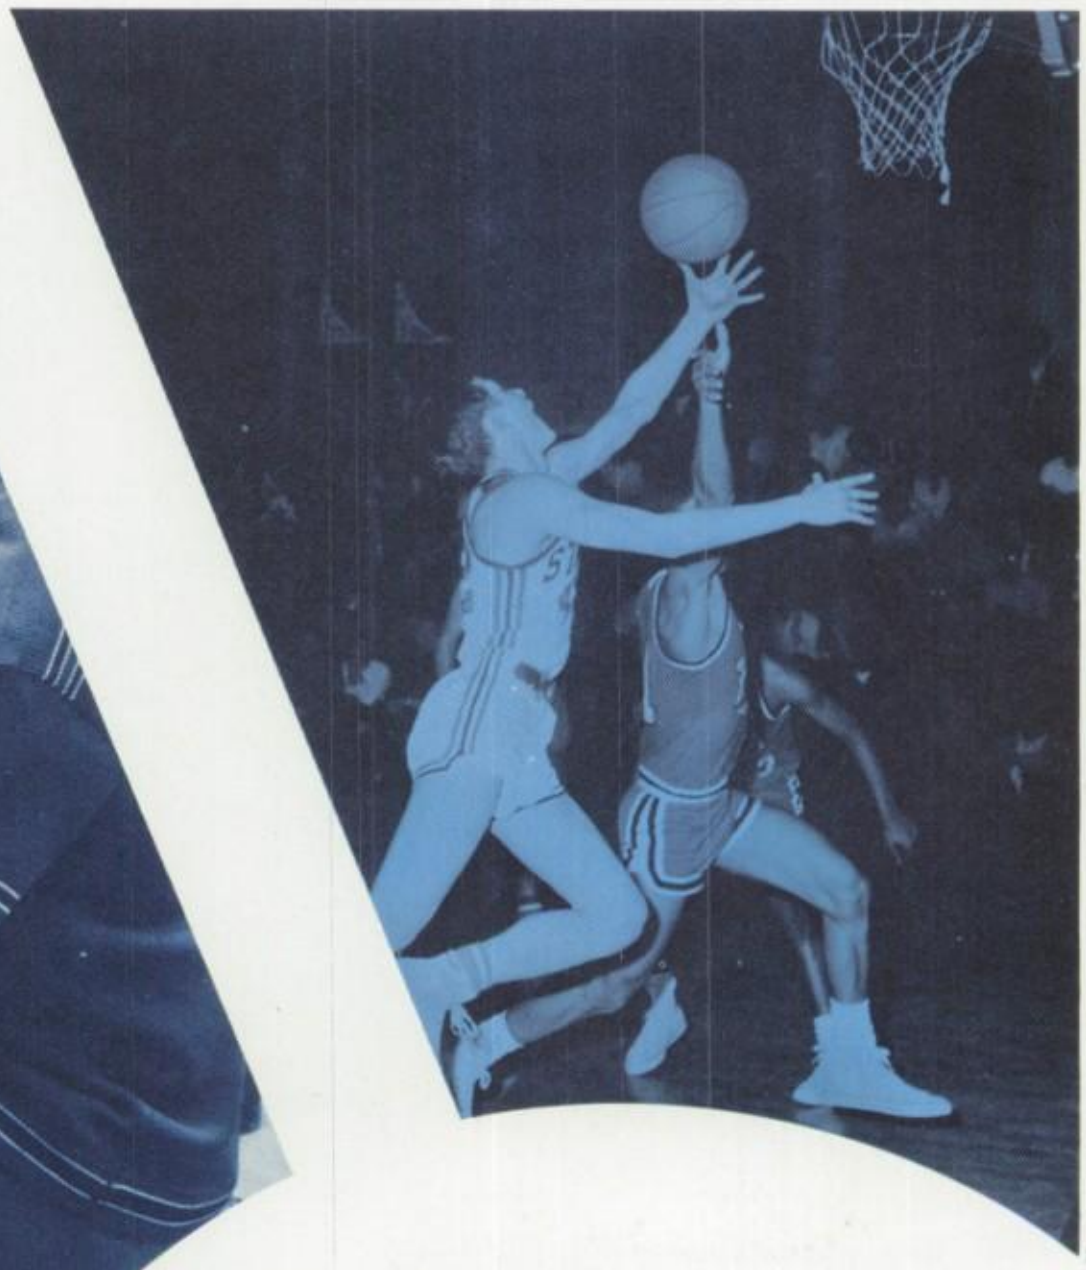
Mr. Melquiades Duque, who has been at St. Rita since 1959, belongs to the office staff. He holds an M.A. degree and a Specialist degree in school administration and enjoys writing in his spare time.

Mrs. Marie Geraci, now in her second year at St. Rita, serves as a clerk in the Main Office of the school. She belongs to the St. Rita High School Mother's Club and enjoys reading.

Mrs. Doris Taheny, who has been at St. Rita since 1965, is the administration secretary. She is an alumni mother of the St. Rita High School Mother's Club. Mrs. Taheny's special interests include sewing, photography, and travel.

Mrs. Elizabeth Sexton, who came to St. Rita in 1967, is a switchboard operator. She has seven children and enjoys sewing and painting in her spare time.

Mrs. Shirley Mingey, who is in her fourth year at St. Rita, is a switchboard operator. She belongs to the St. Rita High School Mother's Club and enjoys reading and watching the Mustangs' football games.



STUDENT LIFE

ACTIVITIES

Activities Make School Year A Happening

School can be a bore if all that a student does is show up to keep his name off of the absentee list. But for most students St. Rita is a place of action. Homecoming, the Dinner Dance, the Senior Trip—these are some of the better known activities. But these are once a year events. The real action is in the day-to-day activities. Sharing ideas over the lunchtable, playing baseball on the field, writing copy for the newspaper after school—these are what break the monotony and make the year a happening.

Mr. Hartl, director of activities, outlines plans for the junior trip with Tim Dryer and Frank Biniewicz.

Homecoming Sees Victory, New Spirit

The "Mustang Breakaway" officially began on Friday, October 3, with a pep rally in the gym after the seventh period. However, many spontaneous rallies took place during the week. Friday, during the lunch periods, band members with their instruments led rallies and marches throughout the area of the school. The homecoming's momentum was increased even more by the giant concert-rally held in the stadium that evening. The New Colony Six played before a packed audience, and head coach, Pat Cronin, supported by his team and the school, predicted victory. The rally ended with the traditional fireworks display.

Saturday evening the Homecoming Dance was held. The NHS had spent most of Saturday morning and afternoon decorating the gym with streamers and lights. That night, students and their dates moved through the multicolored gym to the sounds of the Chicago Fire. Finally, it was time to crown the Homecoming Queen: Miss Jo Ann Biamonte, a senior at Lourdes High School.

Sunday began with the Homecoming Parade from Maria High School to St. Rita. The Marching Mustangs led the Queen and her court into the stadium, followed by the floats made by Rita students.

The object of all the previous activities began soon after the last float had left the field. The game between the Mustangs and St. Lourence's Vikings was a close and hard fought contest. The Mustangs fought harder and won twenty-two to fourteen. The warm sun-lit day changed to evening and the Victory Dance ended this Homecoming.

Nationally known rock group, The New Colony Six, highlighted the Friday night Homecoming festivals in the stadium.

The Chicago Fire, the West Side Story and other popular groups provided many evenings of fun and dancing for Rita men and their dates.

The highlight of the year came on Saturday May 23, when the Senior Prom was held at the M&M Club of the Merchandise Mart. Rita men and their dates were provided with an enjoyable evening of dining and dancing. The music was provided by the Buckinghams and the Chicago Fire.

The Junior Prom, held on Friday May 1, also provided an evening of fun and entertainment for the Rita men and their dates. This year the Chateau Busche provided the setting for the Prom and the Frictions provided excellent music.

NHS Strives for Responsibility

The National Honor Society whose membership is restricted to seniors with records of leadership, ability, extracurricular activity and outstanding academic achievement aids the school in many activities, thus relieving the administration of some of its burdens. NHS members offered their services by supervising and conducting freshman counciling, the freshman entrance exams, the St. Rita Open House program, upperclassman registration and grammar school basketball games. NHS membe·s also act as substitutes for absent teachers of underclassmen. The group helped in decorating the school for homecoming and sponsored a dance.

This year in order to share responsibility more efficiently, no officers were elected except a treasurer. This new system provides that each time an activity comes up, a selected member is appointed to direct the operation. Under the direction of its new moderator, Dr. Racky, this year the members decided not to purchase the traditional green jackets and use their funds for better activities.

Three ideas suggested were a group trip, a dinner with parents invited, and a scholarship fund for students who are in need of money and would be good candidates for the NHS.

Rita Students Demonstrate Academic Achievement: Gain Recognition

The academic environment demands a great deal. Each year students are expected to and need to learn more and take on a greater amount of educational responsibility. The responsible student is expected to be actively involved in extra and co-curricular activities and maintain a high level of academic achievement.

St. Rita students have again demonstrated their academic ability in the college entrance and scholarship examinations given each year. Ten seniors received National Merit Certificates. Of these, Pat Daly was named a semi-finalist in the scholarship program. A great number of seniors, 42 in all, earned Illinois State Scholarships. Consideration for the award is based on the results of the Advanced College Test and class rank, along with finanacial need. The fine showing of these students can be attributed to demanding courses, interested teachers and much hard work.

Seniors Tour California While Juniors Visit The Appalachians

Under the leadership of Mr. John Hartl, Fr. Michael Hogan, Mr. David Kerwein, and Mr. Robert Kopecky, 54 seniors toured the heart of California. On Monday, March 30, they left O'Hare Airport aboard a nonstop jet to Los Angeles. From there the seniors went to San Diego, where they spent the night in a resort hotel.

With Tuesday came a tour of famous San Diego Zoo and Sea World in Mission Bay Park. That night they checked into a hotel directly across from Disneyland. All day Wednesday was spent touring the many attractions of Disneyland. Los Angeles, Hollywood, and Universal Studios were given the once over on Thursday. On Friday Disneyland was revisited for another chance to see Frontierland, Fantasyland, New Orleans Square, and others.

Saturday, April 4, the last day of the tour, was spent at Knott's Berry Farm and after lunch they were on their way home on a nonstop jet. The weary but happy sightseers arrived in Chicago at 9:30 P.M.

On the same morning 29 juniors departed from Midway Airport for Washington, D.C. The first day was spent touring the Capitol Building, Bureau of Engraving and Printing (the mint), the Supreme Court Building, and the Washington Monument, under the leadership of Fr. Edward Nowak, Mr. Ronald Dvorak, and Mr. Raymond Matkovich.

Tuesday was spent viewing Arlington National Cemetery, Mount Vernon, and the Smithsonian Institution. The next day was spent in the Luray Caverns, the most scenic underground caverns in the northern hemisphere, on the Skyline Drive, the crest of the Appalachians, and in Monticello, the home of Thomas Jefferson. On Thursday, the juniors had a chance to tour Jamestown and Colonial Williamsburg, where they had a guided tour of the restored colonial buildings in the area.

Friday, the last day of a great trip, was spent in Annapolis where they visited the U.S. Naval Academy, and then to Washington, D.C. and a nonstop jet back to Chicago.

ORGANIZATIONS

Organizations Supply Needed Diversion

Few people experience four years of a high school education without joining some type of an organization. The reason for this is that St. Rita has so many provocative and diversified organizations that it is hard to avoid becoming interested in one of them. They create an atmosphere of friendship and co-operation by providing the student with a chance to mingle and enjoy the friendship of others' company without the pressures of the daily school routine.

Bro. Mark leads the chorus in their Christmas concert at Maria.

Knights Strive for Christian Living

The Knights of Augustine, under Brother Jerome, O.S.A., in the second year as moderator, has grown over the past years. The K of A has expanded its number of activities since Father Andrews established this organization four years ago. This expanded curricula of activitities gives the members a chance to improve themselves spiritually and enjoy themselves socially.

Among the activities were a dance, picnics, and card parties. The K of A also helped the Lions Club by selling candy for the blind. The K of A also has become part of the Explorers Club.

The fraternity members of the K of A are given the opportunity to attend Mass and Communion every month. They strive for Christian living in the spirit of the Augustinian Order.

Ritan Strives to Inspire Feelings of Harmony and

Achieving success through variety, the "Ritan", moderated by Mr. Donald Racky, received a first class rating from the National Scholastic Press Association and from the Columbia Scholastic Association. The goal of the staff is not to tell "what happened" but to tell "why it happened".

In depth human interest articles along with controversial editorials have been the key to each edition. Other features include interviews, record and movie reviews, and sports articles.

A great spirit of unity is a characteristic of the organization. The "Ritan" float won third place during this year's homecoming celebration. The group held a picnic and attended a White Sox game in the summer. The "Ritan" touch football team proved to be very successful during the year.

The "Ritan" staff acquires the use of the gym several nights a year. During a "gym night" the staff gets to know each other better while playing basketball or by just talking. The air-conditioned "Ritan" Room allows the members to relax and talk things over after school. It has become a second home for many.

In the future the "Ritan" hopes to keep its high standards and to strive for the All-American rating, the goal of all high school newspapers.

Cascian Sports New Moderator Receives Fifth All-American

One of the more important factors in high school academics, activities, and athletics is decision. The Cascian editors are using this as the theme for the 1970 yearbook.

For the fifth time in five years, the Cascian did receive an All-American rating. The ratings are given by the National Scholastic Press Association, and based on quality of photography, layout form, writing content, and organization around the theme.

The third moderator in as many years is Mr. Sigmund A. Eisenschenk, who replaced Fr. Anthony Hogan, O.S.A. This year the staff consists mainly of juniors, numbering seventeen. Eleven seniors and seven sophomores complete a staff of thirty-five members. The staff was taught basic yearbook procedures by Mr. Eisenschenk and Mr. Ralph Van Dyke, representative from the Cascian's printing company.

Cheerleaders Encourage Spirit

The St. Rita cheerleaders encourage the student body to actively participate in supporting the football, basketball, and hockey teams. They help awaken the necessary spirit needed in the students with such cheers as Take Two and Let's Go Big Team Let's Go.

This year we have five new girls along with Shari Marshall, a senior from Lourdes, Maureen Gartland, a senior from Lourdes, Diane Kirkwood, a junior from Lourdes, Kathy Brady, a junior from Lourdes, Kathy Oles, a junior from Lourdes and Debby Guide, a junior from Queen on Peace. The new girls are Jo Ann Perusina, a freshman from Queen of Peace, Carroll Czerniak, a junior from Queen of Peace, Laura Stinauer, a junior from Queen of Peace, Laurie Dunklev, a freshman from Maria. With all this beautiful support how could we lose. The cheerleaders say that they "love" cheering for St. Rita. These girls along with pep rallies are great support for all our "Fighting Mustang Teams", they liven up our side considerably, so much so that most of the students watch them instead of the games.

On Homecoming Night the cheerleaders led the stands in cheering for Sunday's victory.

The cheerleaders show their skill and ingenuity by devising and performing their own acrobatics during the games.

Band Performs Throughout Illinois

The famous St. Rita Marching Mustangs added another shining season to their stunning history as the "band of all bands."

Labor Day meant just that as the band exhibited their talents and stamina in the Naperville and Lemont Parades, September 1st. On September 20th, they participated in the "I-am-an-American" Forest Park event. 1970 was here and it was going to be a prosperous, unique, and invigorating year.

The band's performance at Wrigley Field on Nov. 30th at the Chicago Bear-Cleveland Brown game was next on the agenda. Even though the Bears lost, the band put on a professional performance that won acclamations from television personalities across the country. The band also claimed a spirited and well-deserved standing ovation from the college audience at the Blue Demon's game in Alumni Hall at DePaul University.

The St. Rita Band Mustangs also entertained an enthusiastic basketball crowd at Rockford, Illinois; but who can entertain better than the world renowned Harlem Globetrotters. The Mustangs marched to "Sweet Georgia Brown" of a live and television audience.

Besides their special engagements, which allowed the name of St. Rita Band to leave the "walls of St. Rita", they were content to stay "home" to perform for the loyal and enthusiastic Mustang fans in the Sunday football games.

The 1970 season finally ended with an elaborate production of music and dance when the band performed their Spring Festival at Lourdes High school on May 2 and 3rd.

Thanks to the fine direction and supervision of Mr. Louis Ricci, lovely Ritanettes, talented band members, band boosters, and friends and fans the Marching Mustangs continue to "March with pride and showmanship."

Student Council Modifies Dress Code

The Student Council's functions include promoting student support and spirit in activities and acting as a representative of the student body for the school administration. The council meets about once a week to discuss student proposals and plans for any upcoming events. Members of the government include four elected officers to head the Student Council and the four elected officers of each class.

Mr. John Hartl replaced Fr. Sattler as moderator of the Student Council. Through extensive meetings with members of the administration and Office of Discipline the council reached agreement on a new student dress code, one of this years major achievements.

Sophomore Class Officers: Joseph Eppenstein, John O'Grady, John Passarello, Michael Georgopulos.

Junior Class Officers: Thomas Schumacher, Hector Aramburu, Tim Maher, Dennis Bartz.

Teachers Develop Christian Community

The primary goal of the St. Rita High School Teachers Association is the development of a working model of a Christian community among its members. By developing such a Christian community the teachers hope to promote their professional growth and to insure a better education for all St. Rita students. The Teachers Association also encourages its members to work with the student body as much as possible.

In their regular Friday meetings the members discuss a variety of topics. One topic in which they are interested is the role of non-public schools in the educational process. The St. Rita Teachers Association is also vitally interested in the question of cooperation with various community organizations and in the development of long range goals for St. Rita in the decade of the 70's.

Officers of the St. Rita Teachers Association Mr. Joseph Bamberger, President; Mr. Ronald Dvorak, Treasurer; and Mr. Ado Leo Rugai, Secretary; pause after a lengthy discussion on the question of state aid to non-public schools in Illinois. The question of state aid has recently caused extensive discussion among the members of the Teachers Association.

Richard Hochgraver, Robert Barg, Randall Lorenz, Daniel Pilipauskas, Martin Baunbach, and Thomas Goliak, along with moderator Fr. John Flaherty, O.S.A., work on an experiment in genetics.

Science Club Expands to Other Fields

The Mendel Science Club is broadening scientific research to include physics and chemistry besides the regular biology studies. With the aid of the Audio-Visual Department, scientific periodicals, and field trips, the club hopes to further scientific knowledge and understanding. With the assistance of the club's moderator, Fr. John Flaherty, O.S.A., the scope of the club's activity is unlimited. The equipment in the biology lab makes possible club research into many sciences. Ultimately the club aims its activity on projects entered in the annual Science Fair.

Friday is the general meeting day; however, if the members request more meetings the Biology Lab stays open to conduct club business throughout the week. During these meetings, through suggestions, research has been done with Protozoa ecology, enzymes in microorganisms, chemical reactions and thermodynamics.

The Mendel Science Club holds one restriction to membership – the members must be interested in learning about science. Knowledge in many fields of science is gained by active participation in club research.

The president of the Mendel Science Club is Martin Baunbach; Robert Barg is the vice-president; Dan Pilipauskas is secretary; Randy Lorenz is treasurer.

Science Club members use much of the school's scientific equipment.

Radio Club Offers Chance to Experiment

Under the supervision of Fr. Casimir Pazera, O.S.A., the Radio Club consists of the following branches: hi-fi stereo, radio control, electronics experimentation, amateur radio and computer circuitry. Weekly lectures are presented by Fr. Pazera. Members who attend these classes and pass a comprehensive exam at the end of the course may receive one-half credit in electronics. The Club maintains its own "Ham Shack" and broadcasts under the license WA9DNX. Any member who has earned his amateur license is allowed to operate the radio station. Members are also allowed full use of the electronics lab and all equipment in the lab. Among the many forms of equipment available are three airplanes, a boat, a glider, a "land barge" and a four channel proportional radio control system. In addition Fr. Pazera plans to obtain a five channel proportional radio control system.

Concerts Highlight Chorus Year

Through their performances during the year the Chorus once again proved that they are one of the finest singing ensembles in the city.

Under the direction of Brother Mark, O.S.A., the Chorus performed at the Mothers' Club Christmas Party at the Trade Winds Motel on Dec. 5, and at the Band and Chorus Christmas Concert on Dec. 21.

Besides these Christmas engagements the group performed at Ford City and Lourdes High School. They also sang at the Easter service at Assumption Church before finishing off the year with a two day program with the Band at Lourdes on May 2 and 3. The Chorus was received very well at this program and praised for their fine performance.

In addition to its singing chores, the Chorus arranged several outings during the school year to better acquaint the members with each other and to reward them for a musical job well done. Among these were several gym nights and softball games.

At the Spring Concert, Paul Lorenz takes time out from his chorus duties to play a piano solo.

Under the direction of Brother Mark, O.S.A., the chorus moderator, a special group is led through a difficult passage in a tune at the Spring Concert.

Father's Club Assists at Many Events

Under the moderation of Fr. William A. Thomas, O.S.A., and Brother Jerome, O.S.A., as Assistant Moderator, the Father's Club holds its meetings on the second Friday of each month. At these meetings important subjects concerning the school's many activities are discussed by the members.

Members are appointed as ushers for the school's football and basketball games, and several school dances are sponsored by the Club. Money from these dances goes towards providing free tuition for students whose father has died or whose families are unable to pay.

Aside from giving trophies to the school's top athletes at the annual Football Banquet, the Father's Club also gives a gift of $25 to students having the highest average in their respective class each semester.

Mothers' Club Sponsors Improvement

Throughout the past years, the Mothers' Club has been instrumental in providing funds for many school projects and activities. Moderated by Fr. Richard Allen, O.S.A., with help from Brothers Raymond and Daniel, O.S.A., the organization has strived to improve our school not only physically, but academically and spiritually as well.

The Mothers' Club holds its meetings on the second Monday of each month. At these meetings the members have a chance to get to know each other a little better and plan for the many events which the Mothers' Club sponsors.

This year's officers are: President, Mrs. Anthony Pavilionis; Vice-president, Mrs. Harold Cappel; Recording Secretary, Mrs. Raymond Gallagher; Corresponding Secretary, Mrs. Edward Poetz; Financial Secretary, Mrs. Chester Budz; and Treasurer, Mrs. Clarence Sharp.

Fr. Richard Allen, O.S.A., moderator of the Mother's Club, receives a gift during the Mother's Club– Faculty Christmas Party.

Lettermen Rouse School Spirit

One of the new groups organized this year was the Lettermen's Club. It is a group made up entirely of athletes. It was created as an attempt to kindle enthusiasm for the 1970 Mustang football, basketball, and hockey teams. The club is aimed at more student representation. Under the direction of Mr. David Kernwien and officers Jim Fitzer, President, Tim Dydo, Vice President, Jeff Ogner, Secretary, and Bob Sapp, Treasurer, the group sponsors buses for the students to get to the basketball and hockey games. According to Mr. Kerwien the club was created to get the students, especially the freshmen, interested in sports activities. The club is completely new and different from other pep clubs St. Rita has experienced through the years. In the future the club hopes to be able to raise money for the buses by having dances and other activities. These buses, it is hoped will take the students to away football games, hockey games, and basketball games. Mr. Kerwien is also hopeful that the club will be used at St. Rita to usher the football games that are held here.

SPORTS

Sports Unite Student Body

Nothing can generate more excitement, unite more people, or supply more hours of sheer fun than competing in the rigorous world of sports. But the enjoyment of participating is amplified many times over in the stands of the football field and gym, because here the entire student body is together—linked by bonds of loyalty and pride. For this reason the sports program is considered to be the salient point of St. Rita High School.

Coaches Bob Kopecky and Ron Nowak huddle with their team to figure out the game strategy.

Under the direction of the new head coach, Pat Cronin, the St. Rita Mustangs finished third in the South Section with three wins and four losses. This record is not indicative of the season the Mustangs had. They opened the season with a fine welcome for their new coach by defeating St. Philips forty one to nothing. After losing their next practice game to Loyola, the Mustangs opened the league season on a high note by edging Fenwick sixteen to fourteen here–in their home stadium. The game was highlighted by a stand on the one foot line by the Mustangs' defensive line. The Mustangs next test was the highly-rated Mendel. At the half the score was fourteen to eight in Mendel's favor. The Mustangs had remained close to Mendel's as yet undefeated and unscored upon team. In the second half, the Mendel two-platoon squad proved to be too much for the St. Rita eleven as the Mustangs lost their second league game. The Mustangs next contest, their homecoming, was played before an overflow Mustang crowd. A successful endeavor, they topped St. Laurence twenty-two to fourteen.

Closing out the season, the Mustangs lost two heartbreakers to Brother Rice and Mt. Carmel. In a fine team performance the Mustangs defeated Leo by holding Leo scoreless in the second half while themselves scoring fourteen points to make the final score thirty-four to fourteen. During the season, the Ritan offense was led by All-State quarterback Tim Dydo who passed for 1,800 yards and sixteen touchdowns, leading the league. The defense although not large in stature, served the team well through the season. The Mustang Tri-Captains were Jeff Ohner, Dan Schroeder, and John Buckley. Schroeder, Buckley, and Dydo were named to the All-Catholic squad with Tim Dydo unanimously being named to the All-State team. Coach Cronin was assisted by coaches Jack Lord, Jim Hoffman, Bob Glasscott, Chris Waitr, Jim Duffy, and Gus Pastos.

Spirit, Determination Lead Frosh Gridders to Success

Pushed by an immovable spirit and the determination to succeed, the Freshman Mustangs finished the season with an overall 6-3 record. The regular season record stood at 3-3. Size was not a factor in the Mustang's success. Being small, the Mustangs overwhelmed their opponents with speed, hustle, and an unrelentable desire to win. The Mustangs proved efficient in every category maintaining a strong running and passing game, and possessing a tough defense. Perhaps their greatest defensive effort was shown against St. Laurence. After dropping their opener to Hales, the Mustangs came back to defeat St. Laurence 20-16. The Mustangs opened the game with two quick touchdowns but St. Laurence countered in the third quarter with two of their own. The Mustangs regained the lead with a fourth quarter score and it was then that the test came. With little time remaining, the St. Laurence offense launched a downfield drive. The determined Mustang defense made the challenge and stopped the St. Laurence drive assuring a victory. The Mustangs followed this victory up with a 22-8 smashing of Hales Franciscan. After dropping their next decision to Brother Rice, the Mustangs whipped Leo 32-12 backed with their homecoming spirit. The Mustangs closed the season by dropping a narrow 16-12 decision to Mt. Carmel. The Mustang offense averaged more than 2 touchdowns per game and was led by leading scorer Ray Carroll. The Freshman Mustangs were captained by Ray Carroll, Rick Partyka, Carlos Pearson, and Mike Corely. The Mustangs have much future talent to offer the varsity team with Ray Carroll, Rick Partyka, Carlos Pearson, Mike Corely, Bruce Walega, Brian Koziol, and Bob Bartz heading the list as future stars. The Mustangs were guided by Head Coach Ray Konrath and his assistants Gene Gleeson and Al Styczinski.

Hockey Team Hustles To Playoffs

Once again the Mustangs were right in the middle of a heated competition for first place in the Catholic Hockey League. With a record of five wins, four losses, and one tie, they were tied for third and two points out of first. However, a powerful Brother Rice team defeated the Mustangs in the two playoff games. Coach Ted Melant gave many reasons for the Mustangs' performance this year.

One reason was the general all out effort and hustle of the team. Coach Melant mentioned John Malone in particular as a great inspiration to the team. This spirit was manifested in a number of noteworthy individual and team performances. Jerry Krizek was third in the Catholic League individual scoring with 8 goals and 11 assists for a total of 19 points. John Bukowy had a close fourth with 14 goals and 3 assists for 17 points. Gary Pogwizd rounded out the honors with a fifth place of 10 goals and 4 assists for 14 points.

Offense was not the only Mustang asset. Strong goal tending performances were turned in by goalie Bob Slezak. Towards the end of the season, backup goalie Tom Baskys turned out to be a "sleeper" and turned in some fine performances. In recognition of their outstanding playing in general, Jerry Krizek and John Bukowy were named to the Catholic League All-Star team. Also Jeff Juracka was nominated for Most Valuable Player.

Coach Melant stated that it was cooperation that really put the Mustangs where they are. Players like Dave Evans and John Malone didn't win any special awards, but they served to help the team function as a unit. There was also a good rapport between Coach Melant and his assistant, Mr. Ray Kopcinski.

Expecting most of the team back with two years of Catholic League competition behind it, Coach Melant predicts another good season for the Mustangs next year.

Slow Start, Injuries Hurt Mustangs

After being hampered by a slow start and plagued by midseason injuries, the Heavies basketball team was able to gain momentum at the end of the league play to post a season record of 8 wins and 16 losses.

After defeating St. Michael's by a 24 point margin in the first pre-season game, the Mustangs dropped five straight games to north-side teams. The Heavies gained their second pre-season victory against Weber and then avenged a one point loss to Fenwick by defeating them 75-74.

The Heavies were eliminated from the Brother Rice Round Robin by Leo and lost to Loyola in the Knights of Columbus tournament.

The Mustangs opened league play with a dismal O-5 record. The greatest victory for the Heavies was their 15 point win over second place Mt. Carmel. After a one point loss to Bro. Rice, the Mustangs upset highly rated Mendel. Three of our Mustang victories in league play came in the last four games as Mr. Bob Kopecky, Ray Konrath and Ron Nowak coached their team to a fifth place finish in the south section.

Despite his injuries, Jeff Prestinario led the team in scoring with 151 field goals, 143 free throws. Prestinario was followed by John Thompson who scored 30 points against St. Laurence for a season total of 141 field goals and 80 free throws. Both Prestinario and Thompson were selected to represent St. Rita in the Catholic All-star game.

Lights Beat Loyola to Take City

Under the direction of Head Coach Bob Kopecky and Assistant Coaches Ray Konrath, Ron Nowak, the 1970 St. Rita Lightweight basketball team battled its way to the Catholic city championship with an overall record of and

Den Safka's 24 points paced the Lights of a 60-56 win over the Mendel Monarchs to take the South-section championship. The Mustangs held Mendel to only seven points in the fourth quarter and were able to overtake the Monarchs' lead.

Marked by a 42 point second half fury, the Lights downed Gordon Tech 68-64 in the first playoff game. Coming back from a ten point deficit in the second quarter, the Mustangs closed the gap to 32-26 at the half. This upsurge carried over to the second half and the weakened Gordon defense faltered. The Mustangs' inside penetration plus Calvin Williams' outside shooting gave Rita a solid lead throughout the rest of the game.

Rebounding was a key factor in defeating Loyola to take the city championship. Don Maher and Tony Strimel combined to give the Mustangs 26 rebounds, following Coach Kopecky's game plan of controlling the boards. Zone defense and a full-court press held Loyola to only eight points in the third quarter, but the Mustangs were unable to pull very far ahead. High scoring marked the third quarter both for Rita and Loyola, with the Mustangs gaining a fifteen point lead in the final minutes to stop Loyola.

The Lights were also aided by the fact that they stayed with the same five starters – Brodereck, Williams, Safka, Maher, and Strimel – all season. Not only did they play together all season, but they played as a balanced team. All five scored over 100 points in the league season with only a sixty-point difference between the high and low scorers. No one player was dominant.

Leo and Brother Rice were the Lights' two toughest opponents this year. In addition to giving the Lights their first league defeat, the Lions also eliminated Rita from the Rice Round Robin. The Lights had two close games with Rice, each team winning one.

Calvin Williams led scoring with 165 points with Broderick and Maher totaling 131 and 107 respectively. Williams also led in free throw percentages with 78%. Safka made 68% and Golczak made 66%. Safka and Maher led rebounding with 103 and 105 each.

Flys

A final, overall record of 13 wins and six losses marked, as Coach Ronald Nowak put it "a very successful season" for the Flyweight basketball team.

The team's scoring attack was placed by **Glenn Bylina**, who averaged 18 points a game and finished with 299 total points. The offensive and defensive rebounding was led by **Frank Algozino**, who also contributed 84 points; fourth highest on the team. Behind the play of Bylina and Algozino the flys closed the season with a 9-3 regular season record.

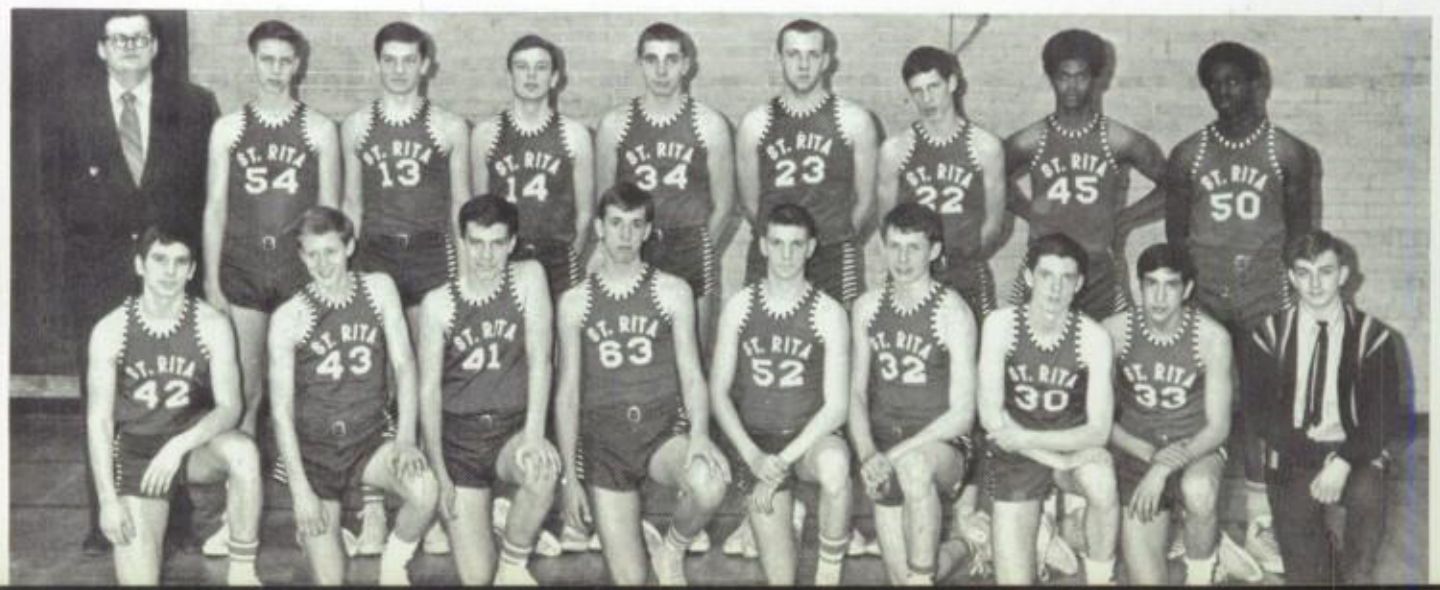
Under the direction of Mr. Ron Nowak the Bantams fought their way to an eleven and twelve record. The season was highlighted by several close games which could have gone either way. Throughout the season, however, the team's spirit and determination never fell through.

The team's top scorer was Carlyle Mitchell with a 12 point scoring average. He was followed closely by Steve Bubacz with a 9 point per game average. Coach Nowak sited Bruce Strimel and Carlyle Mitchell as his best varsity prospects.



Bantams: First row: Bruce Strimel, Rich Araldi, Len Wojcik, Jim Czajkowski, Gary Sievert, Larry Lonergan, Gerry Browne, Jim Cortez, Man. Mark Novak. **Second row:** John Budz, Wally Letrich, Chuck Hills, Earl Morrissey, Jerry Popek, Steve Bubacz, Bob Hale, Carlyle Mitchell.

SOCCER TEAM: BOTTOM ROW: LEFT TO RIGHT: Uvaldo Mascorro – Halfback, Francisco Rivera – Halfback, Angelo Velaquez – Forward, Joe Korkosz – Wings, Vito Abbate – Halfback, Frank Aguilar – Forward. TOP ROW: LEFT TO RIGHT: Joe Cortez – Wing, Paul Jasinskis – Fullback, Al Brown – Halfback, Paul Ingram – Fullback, Jim Skiora – Halfback, Ron Riggio – Center Forward, Hank Surma – Forward, Joe Brown – Goalie, Jonas Cepauskas – Goalie, Fr. Sattler – Moderator and Asst. Coach, Mr. John Sattler – Head Coach.

Revitalized Soccer Team Looks Ahead

This season, the Soccer Team's third, saw the continuation of a rebuilding program engineered to introduce the sport to the school and establish it as a successful mainstay of St. Rita's vast sports program.

Under its two new coaches, Mr. Sattler and Fr. John Sattler, the team made major strides towards establishing a strong successful team. Mr. Sattler, a former soccer player, enlisted the aid of the University of Illinois and was able to provide the team with uniforms and other necessary equipment.

The two coaches built a team around the nucleus of forwards Drago Ratkowich and Frank Aguilar and found two top players in goalie Joe Brown and center Don Riggio.

The team looks favorably towards next season as experienced underclassmen, led by Aguilar and Riggio, will give St. Rita an experienced and hopefully successful Soccer Team.

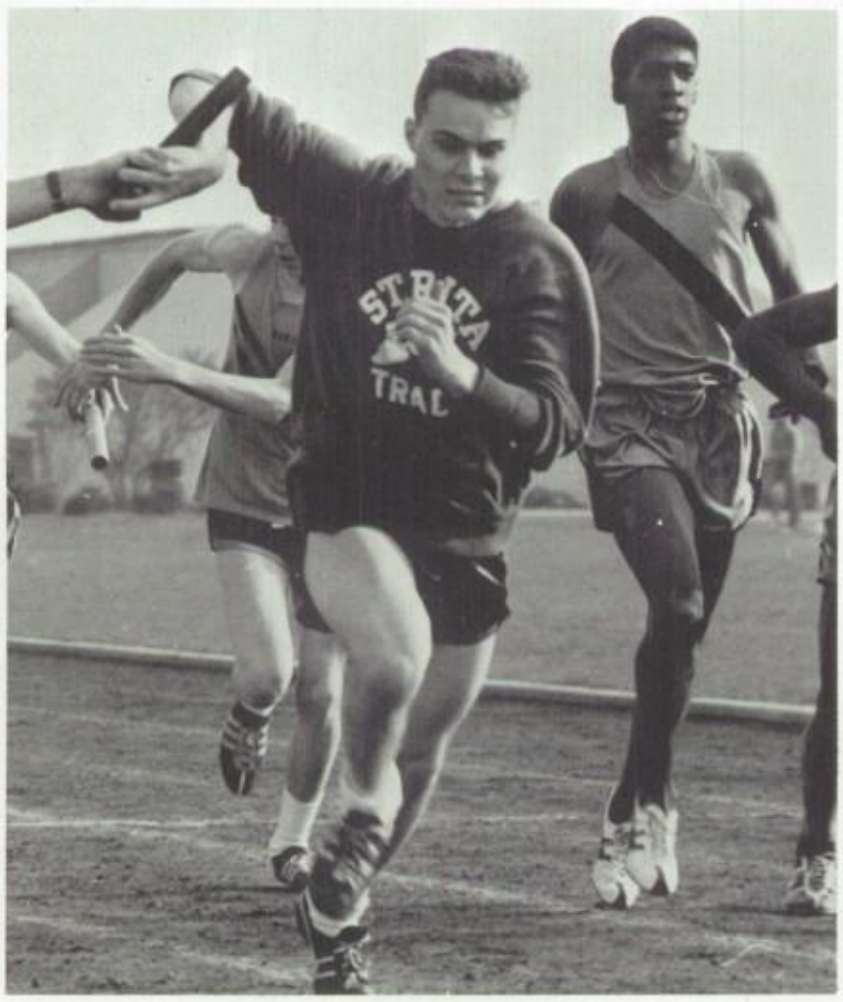
Track Spirit Revived With Expanded



Don Stech takes the baton to win the mile relay.

The addition of three new coaches – Head Coach Mike Eckert, Sig Eisenschenk, and Chris Wiatr – proved to be the determining factor in the marked improvement of St. Rita track prospects. Increased specialization, a longer indoor season that started in December, and tougher workouts have been the keys to track success for the 1970 season.

The Varsity record of 5-8 is due mainly to a lack of numbers and depth. Leading point scorer Bill Doyle, along with Mike Brennan, Jim McGinnis, Ron Garfinkle, and Jim Meador, provided most individual efforts for the Varsity. At the Catholic League Indoor Championships held in March, Doyle placed in the 440 and 880 yd. runs, while Mike Brennan placed in both the high and low hurdles. Jim McGinnis also scored for Rita in the mile run, while the mile relay team of Garfinkle, McGinnis, Brennan, and Doyle grabbed a fifth place ribbon. At the Central A.A.U. Indoor Championships, the 880 relay team of Doyle, Brennan, Garfinkle, and Don Stech took third place in the high school division.

The Varsity outdoor season also proved successful for the same members. Bill Doyle and Jim Meador scored heavily in the South Section meet field events with second place finishes

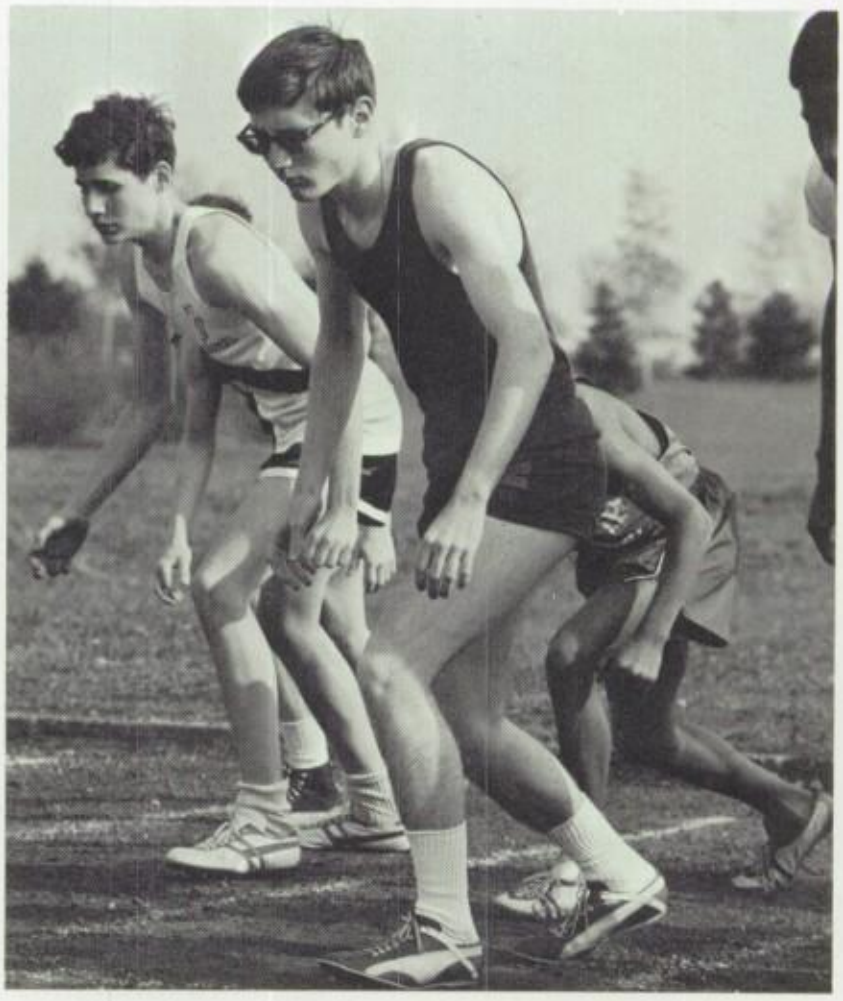
JUNIOR VARSITY TRACK TEAM. FIRST ROW: Mike Malone, Joe Korkosz, George Cantu, Bill Cihon, Steve Chikerotes, Joe Jackson, George Ramos, Jim Guldan, Jack Passarello. SECOND ROW: Jim Ryan, John Eisenschenk, Bill Guldan, Steve McCabe, John Kos, Robert Jilek, Bill Marek, Greg Cozzi, Rich Jemella. THIRD ROW: John Burke, George Ross, Sherwin Hunt, Jerry Popek, Rich Hefili, Dan Odekirk, Doug Johnson, Mike Larsen, Paul Jasinskis, Dennis Lick, Tom Uselis, Carlos Pearson.

Program and Dynamic Staff

in the long jump and shot put respectively. Jim McGinnis scored third in the 880 yd. run with Doyle right behind placing fifth. Mike Brennan took second in the 180 yd. low hurdles, and the mile relay team again took fifth.

The Junior Varsity claimed not only individual achievements but also team winning, as evidenced by its 12-5 record. The J.V. boasts the city's best frosh-soph sprinters with a powerful "front four" of George Ross, Greg Cozzi, Rich Jellyk, and Bill Marek. The sprinting power of the Mustangs was proven at the Indoor All-Star Meet as George Ross grabbed first place in the 60 yd. dash. At the same meet the J.V. 880 relay team of Ross,Cozzi,Jellyk, and Marek also took first place in record time.

The same sprinters also ran away with first place medals in the high school J.V. level of the Central A.A.U. meet. The J.V. sprinters extended their indoor binge into the outdoor season as Ross, Cozzi, Jellyk, and Marek swept second, third, fourth, and fifth place respectively in the South Section 100 yd. dash. Ross avenged his loss in the 100 by taking first in the 220 yd. dash, with Bill Marek taking second and Rich Jellyk fifth. The 880 relay team again placed first.



Varsity mile record holder Jim McGinnis tenses at the starting line.

Bill Doyle sprints past a group of Taft runners in the final quarter mile of his three mile race.

The St. Rita Cross Country Team gets a good start in a meet against Taft. This meet has about 20 runners, the size of most meets.

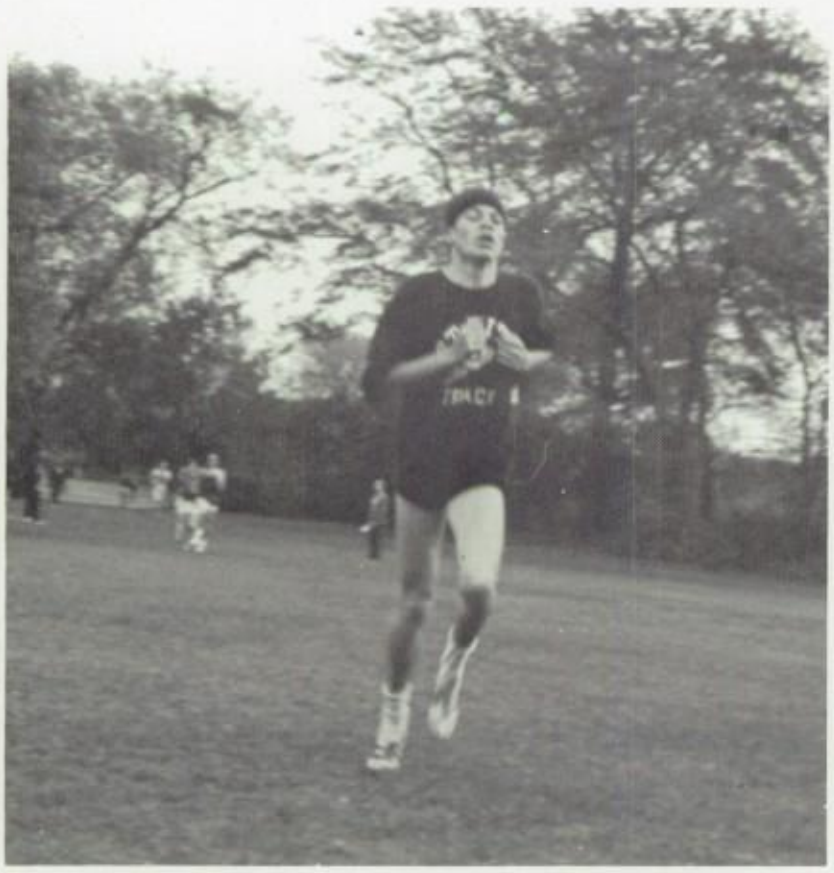
Cross Country Team Runs a 20-19 Record



Dan O'Dekirk lengthens his lead over the rest of the pack in the final mile of the Junior Varsity race.

This year the new Cross Country coach, Mr. Eckert, has made liberal use of rigorous workouts and intensive training. He has brought the team up from last years 2-8 record to the 20-19 record of this year. A new development in the team is its "we'll take city next year" attitude instilled by Coach Eckert.

The Senior Varsity Cross Country Team finished the year with an 8-11 record. In the South Section and Catholic League championships the team took fourth and seventh places. The year was accented by many outstanding individual accomplishments. Jim McGinnes finished seventh in the South Section Meet, led the varsity team in scoring, and was selected the captain of the team. Bill Doyle was selected the most valuable member of the team and received the Coach's Trophy.

The Junior Varsity Cross Country Team finished the year with a record of 12-8. They also finished third and seventh in the South Section and Catholic League championships. The winning year can be attributed to a fine primary team with many other runners to back them up. Bill Cihon led the team in scoring and was selected most valuable runner for which he received the Coach's Trophy. Dan O'Dekirk and Mike Rohloff also deserve recognition for their fine performances in the South Section Meet.

Varsity Team Excels In Hitting

St. Rita entered the 1970 Catholic League Baseball race with high hopes. The Mustangs had 12 returning lettermen, all seniors. Coach Joe Porrevechio felt that the nucleus of a good hitting and fielding team was with these lettermen manning the key positions. However, he did have two problems. One was to find a top-flight catcher and also some pitching to stand up to the rigors of a tough schedule. Both positions were depleted by graduating seniors and Coach Porrevechio turned to the Frosh-Soph to fill in these important positions.

St. Rita won their first nine games in a row last year but hit a short slump in the middle of the season. The Mustangs came on strong winning their last five league games in a row in a battle for the second playoff position. Unfortunately their luck ran out as they finished 12-5, one-half game out of second place.

Frosh-Soph Boasts Winning Season

St. Rita's Frosh-Soph Baseball Team entered 1970 with a new coach and a new squad of players. Under the direction of Mr. Ray Konrath the team looked forward to a good season. Hitting was handled by Ed Cappel, John Dalcomo, Bruce Strimel, Frank Carillo, and Chuck Hills. The pitching corps consisted of Gary Pogwizd, John Bukowy, and Ed Cappel. The catching was in the hands of Jim Cieslich. Coach Konrath, at the start of the spring season, said he was looking forward for good performances from Pat Flaherty and Steve Chruscinski.

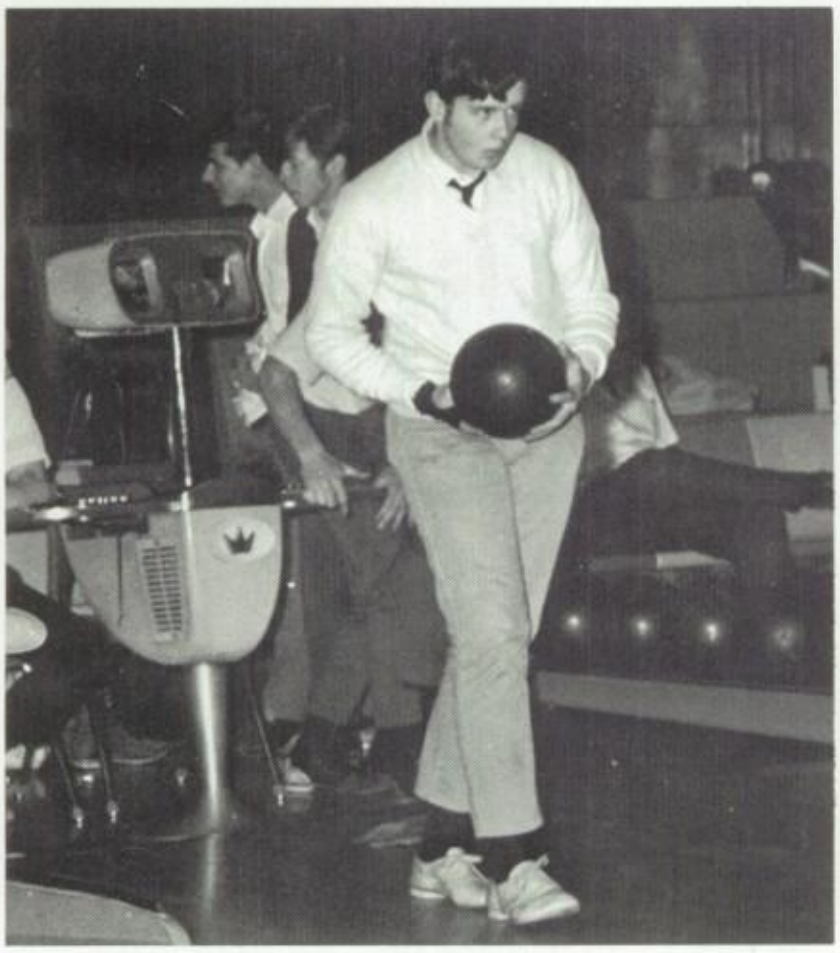
Intramural Bowlers Compete For Honors

Directed by Father Ralph Giovinetti, O.S.A., the Seniors, Juniors, Sophomores, and Freshmen, meet every Monday after seventh period at Gage Park Bowling Lanes. The league is composed of three divisions; Seniors, Juniors, and Sophomore-Freshmen. These bowlers compete for high average, high game, high series, and best team play awards. The awards are presented at an annual bowling banquet at the end of the season.



Bowler Robert Stecher concentrates on his next shot.

Chess Team Captures Crown, Doveatt All-time Winner

Chess Club

The St. Rita Chess Team, repeating its performance of the past three years, is once again the South Section Champions. The chess team, comprised of the top five members of the chess club which is under the moderatorship of Mr. Ronald Dvorak, defeated their number one rivals, St. Laurence, in the final game of the regular season to reach the coveted position. As champions, the team will play the winner of the North Section contest for the title of 1970 Catholic League Champions.

Senior Glenn Doveatt, the last remaining member of the 1969 "Big Three" which also starred Tony Jasaitis and Russell Rzeszutko, finished his final year at St. Rita with a 4½-1½ record, giving him a total of 30 victories for his four year high school career. This season's wins place him as the top all-time scorer in St. Rita's chess playing history.

The Chess Club meets every Tuesday and Thursday; at these gatherings individual rankings are determined on the basis of a "ladder-challenge" system in which a person improves his rating by defeating someone ranked higher than he. The five-man team competes against other schools in league play.

The Chess Club activities included the Second Annual St. Rita Open, an intramural tournament in which all students are eligible, and a simultaneous exhibition in which Chess Club alumnus Russell Rzeszutko, played twenty games at once. Although not participating in the New York H. S. tournament this year, the Chess Team, with an emphasis on professionalism, played in the Illinois High School Championship and other professionally rated tournaments, finishing high out of the State's best teams.

Junior Varsity Wins South Side Title

The traveling bowling teams, under the direction of Father Ralph Giovinetti, O.S.A., compete against other schools at various lanes across the city. The Junior Varsity, which consists of Ken Sobkowiak, Mike O'Connor, Jim Radakovits, Norb Kozlowski, and Ron Szarzynski, took the title of South Section Champions.

Besides trying for good team standards, the boys compete for high game and high series. The high games were obtained by Jim Radakovits with a 225, and Mike O'Connor with a 213. The high series was obtained by Ken Sobkowiak with a 570 series, and Jim Radokivits with a 569. These high games and high series all aided the team to their first place victory.

The Senior Varsity, which consists of Ken Gonski, Pete Galassi, Lou Vaselli, Joe Thompson, and Bruce Snyder, took fourth place in team standards.

Like the Junior Varsity, the Senior Varsity competes for personal goals, and both were reached by Ken Gonski. Ken's high game was a 256, and his high series was a 613.

The Senior Varsity hopes for a better team next year, and as Father Giovinetti, their moderator says, "they'll do it."

Ken Gonski keeps score while waiting for his next turn.

Junior Varsity alternate, Dennis Zarach, demonstrates great form while attempting to win starting berth.

First year a decision on spirit

The transition from grammar school to high school is a difficult period and one which requires major decisions for the freshman. Choosing St. Rita over other high schools is just the beginning. Strange surroundings, crowds of students and different teachers will all affect the freshman and therefore he must change and grow. The first year man must now decide whether he is going to be a nine to three student or be involved in activities. He must now accept being called a "Young Man" and the responsibility that faces him. Most of all the freshman must realize that spirit unifies the St. Rita body and he must decide whether or not he wants to become part of this unity.

Sophomores Learn to Make New Decisions

Sophomore year is a year of transition. They can no longer hide behind the protective shield as freshmen. Sophomores must now learn to make decision that reach the student body and faculty: decision to participate in extra-curricular activities; decision to communicate between student and teacher; decision to help a fellow student; decision to better St. Rita High School as a whole. Whatever the decision, sophomores must realize that that decision may alter the forming of a Rita man. They must learn that they are responsible for their decisions and must defend them if questioned. In defense of the decisions sophomores learn to have an open mind of their own. A new door has been opened to their lives. They must form their lives on the decisions they make. They accept the challenge and with the help of the administration, faculty, and student body sophomores head for the one common goal: the betterment of St. Rita High School.

Decisions of Juniors

determine direction of school

Junior year brings the privileges as well as the problems and responsibilities of an upperclassman. After two years of gaining experience and acceptance, the Junior is ready to take his place among the students who determine the direction of St. Rita High School through their participation in sports, organization, academics and student government. As a Junior the student encounters his first real year as a decision maker in the school's organizations. The decisions he makes add to a foundation for progress for students who follow him. The Junior faces decisions that will determine his way of life for years to come. By his questioning he is able to learn from others and decide for himself the purpose and direction of his actions.

Officers of the Junior Class: President Denis Bartz, Secretary Hector Aramburu, Vice President Timothy Maher, Treasurer Thomas Schumacher.

Activities director, Mr. Hartl, prepares the morning announcements as Timothy Dryer and Francis Biniewicz wait to discuss an important matter with him.

SENIORS

Seniors Project Themselves Into Future While Searching For Involved Lives

Many think that the final days of senior year are a time to look back and reflect upon the memorable events of the past four years, but the true appreciation of those memories occurs much later in life. The senior of today must attempt to project himself into the future and foresee the role which he will perform, whether it be carrying a picket sign in a moratorium day march for peace, or carrying a rifle through strange swamps in a seemingly endless war. Senior year is the time for choosing one's moral values from a muddle of conflicting opinions, for distinguishing the truth from a sea of ancient myths, for speaking out against injustice, inhumanity, and hypocrisy, for breaking the chains that has shut him off for too many years, and for becoming an involved human being, free from the hang ups of an out of touch generation, free to live a truly meaningful life. Only when these goals have at least been attempted can a man look back on these last four years and appreciate their significance.

A Decision

Ends

A New One

Begins

St. Rita is a decision. To the Freshmen, St. Rita was a choice for the future–a step into the level of manhood. To the Sophomores and Juniors, St. Rita is a continued acceptance of the joys and hardships education offers. To the Seniors, the four years at St. Rita represent a past experience. The cramming for a tough history exam, the feeling of loyalty after a Mustang victory, and the discussing of a personal problem with a concerned teacher are all remembrances of the "Rita" spirit. The new acquaintances are now old friends bonded by mutual interests, class retreats, or a senior prom. The experience has passed but a decision remains. The senior must decide whether the "Rita" experience is to end or whether he will live in the spirit and ideas he has received.
